

Disabled? Looking for a job? You could be in the picture.

The Disability Employment Project: Working in Derbyshire

If you're claiming an incapacity benefit we can help you to find a job with Derbyshire County Council, a local council or the NHS in Derbyshire.

Who we are

The Disability Employment Project is based at Derbyshire County Council.

We're a small team who work closely with all the district councils and the local NHS trusts.

Our job is to support disabled people so that they have an equal chance to find work in the public services.

What we can do for you

- We can help you to identify what you are good at and what you like to do.
- We can help you to get the training, work experience or the job coaching you need.
- We can make sure you find out about job vacancies.
- When you find work, we will still be there to support you by making sure you have the equipment or adjustments you need.

What we can't do

- We can't promise that you will get an interview or that you will get a job.
- We can't give you a job or create a job for you.

Our partners

All the employers listed below have said that they need the skills and experience of disabled people to help them to serve local residents:

- Derbyshire County Council
- Amber Valley Borough Council
- Bolsover District Council
- Chesterfield Borough Council
- Derbyshire Dales District Council
- Erewash Borough Council
- High Peak Borough Council
- North East Derbyshire District Council
- South Derbyshire District Council
- NHS Trusts in Derbyshire.

Every week they advertise many part-time and full-time vacancies. We can help you to get one of these jobs.

Who we work with

The Disability Employment Project can assist anyone who wants to work for more than 16 hours a week and is on Incapacity Benefit, Severe Disablement Allowance, Income Support on the basis of incapacity or National Insurance credits on the basis of incapacity.
