

bringing cinema to community venues

## **Film in Village Halls**

---

Across Derbyshire there is a network of film groups which provide screenings in alternative venues, particularly in areas where cinema might not otherwise be available. This gives local people the chance to turn their venue into a temporary cinema and enjoy films old and new in a friendly environment.

### **List of groups screening films in Derbyshire 2010/11**

#### **Bakewell & Ashford Film Society**
