Support through the adoption process

Sometimes loving someone means letting them go

Derbyshire Adoption Service

Are you considering adoption for your baby?

Do you need someone to talk to about your decision? or to explain about the process?

The Birth Family Support Team can help...

We can visit you and make sure you understand what adoption means.

- We can explain the process and the terms used.
- We are not social workers.
- We will not judge you.
- We will respect your decision.
- We will listen to you.
- We will make sure your voice is heard.

“What having a birth parents support worker did for me, was helped clear my mind.”

Support through the adoption process

We can't bring back your child,
but we can help you put some
of the pieces back together...

Derbyshire Adoption Service

Has adoption shattered your life?

This is what some birth parents say about their child being adopted...

“They’ve given me a life sentence.”

“It wasn’t her fault and it wasn’t mine either.”

“I still think about her every single day.”

“The hardest thing to deal with... is taking responsibility for what’s happened.”

“I was crying out for help but there was no-body there.”
