

The Targeted Timetable has been put forward by the Derbyshire Partnership Forum Executive and sets out six weekly slots in which to programme targeted activities and interventions to support the delivery of partnership priorities. A number of the proposed slots have been filled with proposals to coordinate and target existing organisational/partnership activity under a partnership banner.

Targeted Timetable 2009 – 2010

15th November – 27th December 2009	Safeguarding vulnerable people / Reducing alcohol harm
