## Something for everyone this summer at the Derbyshire Eco Centre!

For a summer which is creative and fun, discover the joys of learning in our flagship eco building on the edge of Wirksworth, next door to the National Stone Centre. Treat yourself to a family fun workshop or try something you have never done before with our August adult taster sessions.

### Family Fun

Half term and summer holiday activities for families: **£20 for family of 2 adults and 2 children**, and **£5** per additional child. Activities include: scarecrow or mosaic making, bushcraft, pottery, willow craft or book making and outdoor storytelling.

### August Tasters

Two weeks in August jam packed with half and full day taster courses. Creative tasters include pottery, stained glass, basket making and nature painting. Enjoy the outdoors with dry stone walling, coppice crafts, bushcraft, stone carving or circus skills tasters!

**Tasters are just £20 per adult for half day courses, or £30 for a full day.**

### Get a different sort of qualification

The Eco Centre is one of very few centres in the country where you can learn dry stone walling qualifications up to Level 3. We also offer RHS Horticulture qualifications at Level 2. Join our related taster sessions to find out how these courses can lead to employment or self-employment.

## Childcare Information Sessions

Take your first steps into a career working with children. Find out about our courses and get support to help you get started on your new career.

Ask at your local centre for details.

## Deaf Charter

We are committed to improving access and the rights of deaf people. We do this by ensuring access for deaf and hard of hearing people to our information and services, and promoting learning opportunities for communication methods used by deaf and hard of hearing people such as British Sign Language courses.

Our experienced apprenticeship team can make the apprenticeship journey easier by doing the hard work for you for **FREE**.
