

Community Profile

This area profile is the first stage in drawing together a range of information about a particular geographical area and its communities. The profile brings together basic statistical and consultation data and, where available, performance information and details about key initiatives in the area. There are 10 sections following the Audit Commission's quality of life themes. The profile aims to provide a more rounded picture of an area than can be achieved by viewing the information in isolation and should be used as a tool to provide a context and overview of an area, rather than detailed analysis of a particular topic or information type.

The Belper/Kilburn area lies at the heart of the Amber Valley district of Derbyshire. It covers an area of 6,139 hectares and contains the town of Belper and its rural hinterland, including the settlements of Blackbrook and Farnah Green.

.A larger map of the area is shown on the final page of this profile.

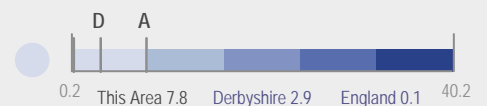

A separate User Guide contains a detailed description of the statistics and a guide to interpreting the charts.

Residents who would like to be more involved in Council decisions affecting their area 2006
18.7%

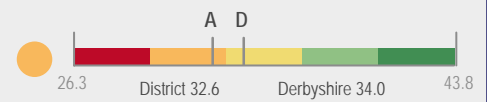

The Belper and District 50+ Forum has 141 members. They aim to:

- promote and publicise the Forum with particular attention to engaging residents in residential and care homes;
- support recycling in the district;
- develop a programme of improvement on local transport issues;
- improve health in the area through better access to health/leisure facilities.

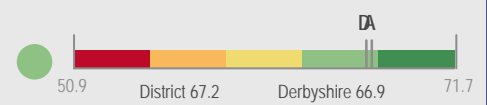

The views of the district Youth Forum on facilities for young people appear in the Culture and Leisure section.
