

Community Profile

This area profile is the first stage in drawing together a range of information about a particular geographical area and its communities. The profile brings together basic statistical and consultation data and, where available, performance information and details about key initiatives in the area. There are 10 sections following the Audit Commission's quality of life themes. The profile aims to provide a more rounded picture of an area than can be achieved by viewing the information in isolation and should be used as a tool to provide a context and overview of an area, rather than detailed analysis of a particular topic or information type.

The Ilkeston Rural area lies to the north west of the Erewash district of Derbyshire. It covers an area of 4290 hectares. Main centres of population in this largely rural area are the towns of villages of Little Eaton and West Hallam.

.A larger map of the area is shown on the final page of this profile.

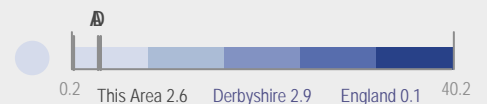

A separate User Guide contains a detailed description of the statistics and a guide to interpreting the charts.

33.3%

The Ilkeston and District 50+ Forum has approximately 98 members. The primary objectives of the Forum are to;

- promote initiatives designed to increase access to information for older people through the establishment of a local information line and the inclusion of

information in Gold Card and other relevant publications;

- assist in the development of community safety initiatives;
- improve transport in the Ilkeston area;

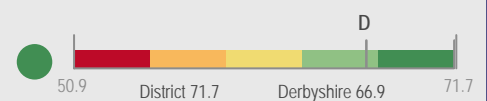

The views of the district Youth Forum on facilities for young people appear in the Culture and Leisure section.

Community cohesion
