

Derbyshire County Council Adult Care Learning & Development Programme October 2017 – March 2018

The following courses are available to those employed or volunteering within an adult social care setting in Derbyshire, whether they are employed by Derbyshire County Council or within the Private, Voluntary and Independent Sectors (PVI). The majority of courses are offered **free of charge**.

Unfortunately there are occasions when we do have to charge applicants from the PVI sectors a fee, currently this is when an examination or accreditation fee is payable i.e. Certificate in Food Safety in Catering Level 2 (previously Basic Food Hygiene) and First Aid courses.

To ensure the quality of our learning and development, availability of places on courses is limited and therefore booking is essential.

This programme may be subject to change; therefore please make sure you have received emailed confirmation of booking prior to attendance to ensure your place is reserved.

Please note that venues may be subject to change at short notice.

Further learning and Development opportunities will be advertised separately as they become available

With the introduction of the Care Certificate in April 2015, Derbyshire County Council is running 4 week programmes of training that will cover all of the knowledge requirements.

If you wish your staff to attend all of the Care Certificate courses, then please select one of the “Care Certificate programmes” at the back of this document.

If however, you wish your staff to attend individual courses, please select dates from the “additional courses” section at the beginning of this document.

We will continue to use our “Last Minute Places” flyer to advertise course with spaces 2 – 4 weeks prior to them taking place. All staff are welcome to attend these courses.

This training programme, brochure and the current application forms can be found using the links below

DCC staff -
