Traineeships for 16–24 year olds

Traineeships create pathways into apprenticeships or work.

We pride ourselves on our supported Traineeship programmes, which help you choose and achieve your goals. We offer mentor and tutor support, with work experience placements tailored to the areas you want to work in.

The Traineeship programme is between 6 and 8 weeks long. You will study a choice of qualifications to prepare you for the world of work, and have a minimum of 100 hours of work experience.

Your experience will help you to build a CV that stands out to employers. We have direct links with Derbyshire County Council Apprenticeships and will support you to take your next steps into employment or further training.

To find out more, contact Clay Cross Adult Community Education Centre on **01629 537108**.

For some qualification courses you may be able to apply for a learner loan. There may be additional costs on some courses for materials and exams fees.

Please check at the time of booking.
