FOR SALE BY INFORMAL TENDER
SUBJECT TO PLANNING PERMISSION

DEVELOPMENT OPPORTUNITY:
NEW BEETWELL STREET, CHESTERFIELD, S40 1QR
(FORMER CHESTERFIELD REGISTER OFFICE & ADJACENT DWELLING HOUSE)

Comprising approximately 0.22 hectares (0.55 acres)

Closing date for offers: 11am on Wednesday 4\textsuperscript{th} March 2020
Ref: CP2943
Without Prejudice, Subject to Contract & Council Approval

NEW BEETWELL STREET, CHESTERFIELD, S40 1QJ

Location

The site is situated on the southern edge of Chesterfield Town Centre between New Beetwell Street to the north and Markham Road (A619) to the south. Markham Road is the main arterial route through Chesterfield which connects with the A617 to the east and ultimately to Junction 29 of the M1. Sheffield is approximately 12 miles to the north and Derby approximately 24 miles to the south. The historic market town of Chesterfield, famed for its crooked spire and large outdoor market, is situated at the gateway to the Peak District National Park.

The surrounding area comprises a mixture of commercial uses. The Pavements Shopping Centre, which provides a range of shops including major high street brands such as Tesco Metro, WH Smith and Boots is located opposite on the north side of New Beetwell Street. The adjacent multi storey car park on New Beetwell Street provides over 450 spaces and Chesterfield Bus and Coach Station is within close proximity. Ravenside Retail Park, which is located on south side of Markham Road (A619), is within walking distance and comprises a mix of retailers including Debenhams, Next, Pets at Home, Asda Living and Pizza Hut.

Description

The site extends to approximately 0.22 ha (0.55 acres) and comprises the prominent former Chesterfield Register Office, which closed in December 2018 together with the adjacent dwelling house ‘Crossways’, 1 New Beetwell Street.

The former Chesterfield Register Office, constructed circa 1940’s, fronts directly on to New Beetwell Street and the accommodation extends to three storeys of office space, including reception and meeting rooms, kitchen, WCs, storage and plant rooms. The building is of traditional brick construction beneath a hipped clay tile roof with sash timber framed windows some of which have been replaced with UPVC.

The adjacent dwelling house ‘Crossways’ is of traditional brick construction beneath a hipped clay tiled roof. Windows are UPVC doubled glazed, with metal gutters & timber soffits. The house comprises kitchen, dining room and lounge on the ground floor and three bedrooms, bathroom and separate toilet on the first floor. Pedestrian access is via New Beetwell Street and vehicular access is off Park Road to the rear of the site.
Area

The site extends to 0.22 hectares (0.55 acres) or thereabouts and for the purposes of identification is shown edged in red on the Ordnance Survey site plan provided in Appendix 1. A location plan is also attached at Appendix 1.

The gross internal area of the former Chesterfield Register Office extends to approximately 612.24 sq m (6,590 sq ft), as identified in the floorplans provided in Appendix 1.

The gross internal area of the dwelling house ‘Crossways’ extends to approximately 109.50 sq m (1,174 sq ft) as identified in the floor plans at Appendix 1.

Tenure

The County Council owns the freehold of the site and is registered under Title Number DY431700. A copy of the title plan is available at Appendix 1. The County Council is to convey its freehold interest in the property with vacant possession. The site will be sold subject to all and any existing covenants, easements, restrictions, wayleaves, rights of way, etc. affecting the land. The purchaser must satisfy themselves in relation to any covenants or other matters affecting the property.

There is a right of way (with or without vehicles) over part of the site to the rear (off Park Road) for the benefit of the adjacent owner of 44 & 46 Park Road. This right of way is shown hatched black on the attached site plan (Appendix 1).

There is a right of way on foot for the owner of 44 Park Road over the land shown coloured blue on the attached site plan (Appendix 1).

There are two Wayleaves consents which may or may not affect the title-

Wayleave Consent (1) dated 5/12/1967 between Telesufion Ltd and North Derbyshire Water Board consents ‘A light cable attached to building leased to Westminster Bank Ltd., also cable attached to houses 28A & 30A’.

Wayleave Consent (2) undated between The East Midlands Electricity Board and Derbyshire County Council consents ‘placing laying erecting and also to the using maintaining repairing altering and replacing’ of an underground cable. Plan shows location of the cable.

Energy Efficiency and Environmental Impact

Copies of the energy performance certificates and recommendation reports for both properties are available on request. A copy of the front page of each EPC is provided in Appendix 2.
Planning

Chesterfield Borough Council’s Planning Service has prepared (without prejudice) a planning brief specifically for this site. A copy of this planning brief is provided in Appendix 3.

The site is strategically positioned between the established town centre retail and commercial employment zone and the Ravenside Retail Park quarter. Providing a thoroughfare linkage between these two key town centre hubs.

In principle and subject to planning permission, the site is suitable for a range of uses including residential, commercial office, community uses, healthcare or other institutional uses. The site is not in the primary retail area or an otherwise established retail frontage, but could be suitable for retail or food and drink use of an appropriately limited scale.

We are advised that Chesterfield Borough Council’s preference would be for conversion and re-use of the existing buildings. However, the onus will be placed on the successful developer to engage in early discussions with the Borough Council to fully explore the development parameters of what is clearly a site of strategic importance to the ongoing regeneration of the town.

Prospective purchasers are therefore strongly recommended to seek pre-application advice from Chesterfield Borough Council’s Planning Department - Strategic Planning and Key Sites Team.

www.chesterfield.gov.uk

Community Infrastructure Levy (CIL)

Chesterfield Borough Council operates a Community Infrastructure Levy (CIL) for retail and residential uses. Please refer to the advice provided on a without prejudice basis by Rick Long (Infrastructure Planning Officer) at Chesterfield Borough Council in Appendix 3.

Highways

Proposals concerning access design and layout considerations will need to be approved by the County Council’s Director of Environmental Services (Highways Development Control) as part of any Planning Application process to be entered into by the successful purchaser.

Further guidance on road layouts can be found on the County Council Website under the Development Control pages:-
Services & Site Investigations

Interested parties are recommended to contact statutory undertakers to satisfy themselves that services are available, suitable and of sufficient capacity for their proposed use.

Prospective purchasers are expected to undertake and rely upon their own site inspections and surveys, to ascertain that the site is suitable for their proposed development.

Rates

The Valuation Office Agency website lists the current rateable value of Chesterfield Register Office as £34,750 (effective date 1 April 2017) and is described as offices and premises.

The Council Tax band for Crossways, 1 New Beetwell Street, is C (as of 1 April 1991).

For any further clarification, please contact Chesterfield Borough Council Business Rates/Council Tax team:

Offer Procedure

The property is offered for sale by informal tender.

COMPLETED OFFER FORMS MUST BE RETURNED VIA THE COUNCIL’S E-TENDERING SYSTEM (PROACTIS) NO LATER THAN 11AM ON WEDNESDAY 4TH MARCH 2020. Please click on the following link for access to the Proactis website:-

www.eastmidstenders.org

See Appendix 4 (Proactis Portal Global Registration) for advice and guidance on submitting your bid on the ‘Proactis’ E-tendering system.

The electronic tendering system requires interested parties to register and receive documents electronically for the tender process and submit responses. Tenderers must ensure that all Tender Documents requiring a response are completed and submitted through the ‘response wizard’ feature of the Council’s electronic tendering system.

Tenderers must NOT submit any part of their Tender Response via the ‘messaging’ feature of the Council’s electronic tendering system, unless specifically instructed to do so by the Procurement Officer identified, as this may lead to the Tender Response being disallowed.

All communication will normally be issued to Tenderers through the ‘messaging’ feature within the Council’s electronic tendering system. If further advice or assistance concerning the Tender Documents is required, please use the ‘messaging’ feature. In case of emergency, contact the Procurement Officer assigned to this tender.

The Procurement Officer for this tender is Caroline May who can be contacted by:
Email: caroline.may@derbyshire.gov.uk or call 01629 536805.
If any difficulties are being experienced with using the Council’s electronic tendering system, please contact the Proactis Technical Support Team immediately with details of the difficulty including screen shots and any error messages received or displayed. This can be done through the website. In the event of any difficulties the Technical Support Team can be contacted by:

Email: helpdesk@proactis.com or call (+44) 01670 597136.

Please answer all the questions on the Offer Form as indicated. Completed Offer Forms will be accepted from individual organisations or organisations that have formed, or intend to form a consortium for this project.

Unfortunately offers that are NOT received via the ‘Proactis’ tendering portal by the relevant deadline cannot be considered.

Following the closing date, offers will be scheduled for consideration by the Council at the next available Cabinet Member meeting. The successful applicant will be notified of the Council’s decision as soon as possible after that time.

The property is offered for sale Subject to Contract and Derbyshire County Council reserves the right not to accept the highest or any offer made and reserves the right to disregard any offer that is indefinite in amount or calculable only by reference to other offers.

The Council reserves the right to withdraw the acceptance of an offer if contracts have not been exchanged within 3 months of the issue of draft contract and transfer documentation.

**Fitness for Use**
Fitness for any purpose or use proposed in relation to the subject site is not in any way guaranteed by the Council.

**Fees**
The Purchaser shall be responsible for the payment of the County Council’s reasonably incurred professional fees, together with their own fees and all other associated costs and fees necessarily arising out of the sale of the site. The fees to be incurred by the purchaser in this respect shall comprise the Council’s Legal and Surveyors fees, which together total approximately 3% of the purchase price.

**Viewing & Enquires**
For all enquiries and to make arrangements to view the property please contact:-

Rebecca Phillips
Tel: 01629 536332

Energy Performance Certifications

Energy Performance Certificate

1, New Bootwell Street, CHESTERFIELD, S40 1GR

Dwelling type: Detached house
Reference number: 0567-2067-7917-9501-6355
Date of assessment: 02 September 2019
Type of assessment: RISAP, existing dwelling
Date of certificate: 09 September 2019
Total floor area: 113 m²

Use this document to:
- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

Estimated energy costs of dwelling for 3 years:

<table>
<thead>
<tr>
<th>Energy type</th>
<th>Current costs</th>
<th>Potential costs</th>
<th>Potential savings</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lighting</td>
<td>£ 441 over 3 years</td>
<td>£ 234 over 3 years</td>
<td>£ 207</td>
</tr>
<tr>
<td>Heating</td>
<td>£ 3,680 over 3 years</td>
<td>£ 2,244 over 3 years</td>
<td>£ 1,436</td>
</tr>
<tr>
<td>Hot Water</td>
<td>£ 386 over 3 years</td>
<td>£ 210 over 3 years</td>
<td>£ 176</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>£ 4,478</strong></td>
<td><strong>£ 2,697</strong></td>
<td><strong>£ 1,782</strong></td>
</tr>
</tbody>
</table>

These figures show how much the average household would spend in this property for heating, lighting and hot water and is not based on energy used by individual households. This excludes energy use for running appliances like TVs, computers and cookers, and electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home.
- The higher the rating, the lower your fuel bills are likely to be.
- The potential savings are the effect of undertaking the recommendations on page 3.
- The average energy efficiency rating for a dwelling in England and Wales is Band D (rating 50).
- The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

Technical Information

Main heating fuel: Natural Gas
Building environment: Heating and Natural Ventilation
Total useful floor area (m²): 648
Assessment Level: 3
Building emission rate (kgCO₂/m² per year): 71.55
Primary energy use (kWh/m² per year): 412.81

Benchmarks

Buildings similar to this one could have ratings as follows:

- 78
- 79

This is how energy efficient the building is.
Appendix 3
Planning Brief

CHESTERFIELD REGISTER OFFICE,
BEETWELL STREET

PLANNING CONTEXT

The adopted plan for Chesterfield Borough consists of the Chesterfield Local Plan Core Strategy (adopted 2013) and saved policies from the Replacement Chesterfield Borough Local Plan (RCBLP) 2006.

On 28th June 2019 the council submitted a replacement Local Plan for examination. Hearings are anticipated to be held in autumn 2019 and the new plan adopted by in the spring of 2020.

The site is also covered by the non-statutory Chesterfield Town Centre Masterplan.

The former registry office is identified on the council’s emerging Local List of heritage assets, which is out for consultation until 16th September.

PLANNING POLICY

The site falls within the defined Chesterfield Town Centre on the adopted Local Plan policies map but not within the town centre retail core.

The most relevant local planning policies are PS1 – Chesterfield Town Centre and CS15:

PS1 Chesterfield Town Centre

Subject to policy CS15, planning permission will only be granted for development that contributes towards:
a) Protecting and enhancing the centre’s sub-regional and local role in providing employment, services, leisure and retail

b) Supporting the objectives of Chesterfield town centre masterplan

c) Economic development and community safety by providing a diverse range of uses including retail, office, community facilities, leisure and food and drink uses

d) Protecting and enhancing the historic character of the centre and the role of the Historic Market and Market Hall

e) Improving accessibility between the centre and surrounding areas, including Chesterfield Railway Station, Waterside, Queen’s Park, Chesterfield College and Ravenside Retail park

f) Enhancing walking, cycling and public transport provision

g) Maintaining the overall level of provision of public car parking; new off street car parking will usually only be permitted when justified through a transport assessment or travel plan

h) Reducing through traffic

i) Enhancing the range and quality of residential uses within Chesterfield town centre

CS15 – Vitality and Viability of Centres

Role of centres

The council will support the role of the town, district, local service Centres and local centres in providing shops and local services in safe, accessible and sustainable locations. New development should make a positive contribution to the centres viability and vitality and be of an appropriate scale. Centres will continue to remain important for retail serving the borough and will continue to provide shopping and other town centre uses including cultural facilities for localised catchments, reflecting the role and function of the settlement in the spatial development strategy and the hierarchy of centres.

Centre boundaries

The boundaries and primary frontages of the town, district, local service centres, local centres and other retail areas will be defined within the Local Plan: Sites and Boundaries. The secondary frontages will also be defined for town and district centres.
Proposals for comprehensive redevelopment of a center or part of a centre will be considered where the proposals can demonstrate the community benefits of redevelopment and justify any loss of retail facilities. The provision of new local centres may be considered where a need arises.

To ensure the vibrancy, inclusiveness and economic activity of the borough’s centres, a range of other uses including health, leisure, entertainment, community facilities, sports, offices, art, food and drink, cultural and tourism facilities will be encouraged. New housing will be permitted above ground floors uses or in locations outside the primary retail frontages.

To achieve this, the mix of uses will be controlled in order that town centre uses other than A1 retail will:

a) not overwhelm the retail function of the centre, street or frontage where it is located by having a detrimental impact on vitality and viability;

b) contribute to an active, well-used and safe environment in the evening with acceptable impacts on residential amenities;

c) cater for a wide public through diversity of leisure and cultural attractions and events, and by increasing the resident population; and

d) contribute to an appropriate mix of licensed premises

e) contribute to efforts tackling vacant, under-used and derelict buildings within centres, particularly in historic buildings.

Other Planning Policy Requirements

The council seeks to enter into a Local Labour and Supply Chain agreement on all Major development, typically secured by planning condition on any permission (policy CS13).

Any parking provision shall include Electric Vehicle Charging points (policy CS20).

Residential proposals will be expected to have regard to the council’s Supplementary Planning Document (SPD) on Residential Design, ‘Successful Places’.

USES

The site would be suitable for a range of uses including residential, commercial office, community uses, healthcare or other institutional uses. The site is not in the primary retail area or an otherwise established retail frontage, but could be suitable for retail or food and drink use of an appropriately limited scale.
The borough council’s preference would be for conversion and re-use of the existing buildings. Proposals for redevelopment should seek pre-application advice from the council’s Development Management and Urban Design officers.

**PLANNING OBLIGATIONS/S106 AND CIL**

The council operates a Community Infrastructure Levy (CIL) for retail and residential uses.

**Commercial Rate (A1 to A5 use classes) - £80 per sq m**

**Residential Rate (C3) - £50 per sqm**

CIL rates are index linked and exemptions may apply for specific uses. [VACANT FLOORSPACE]

The council also operates a ‘Percent for Art’ scheme for developments costing over £1m, usually secured through a S106 planning obligation.

Residential schemes of 15 or more dwellings will be expected to include provision for up to 30% of units to be affordable (as defined in the National Planning Policy Framework).
Hi Rebecca,

Further to Alan’s advice on the planning position, I can offer the following advice on the potential Community Infrastructure Levy (CIL) liability.

Under the CIL Regulations it is possible to deduct existing “in use” floorspace from the total chargeable amount of any CIL liability on a new development provided certain conditions are met. According to the CIL Regulations it must be demonstrated that existing floorspace to be lost must have been occupied in their lawful use for a "continuous period of at least six months within the period of three years ending on the day planning permission first permits the chargeable development". Evidence would normally be required to demonstrate that the building floorspace has been actively in lawful use.

Therefore, on the basis that the Registrars vacated the offices at the end of December 2018, in principle, the existing floorspace would be deductible from any CIL liability if planning permission for an alternative CIL-liable use (residential or retail use) was granted by mid-2021.

However, on the basis that 1 New Beetwell Street (Crossways) has been empty since 24 November 2013, this floorspace would not be deductible from CIL. The CIL liability on any new residential or retail development in this building would be based on a CIL charge of £50/square metre (index linked).

Further details are set out on the Council’s CIL webpage:
https://www.chesterfield.gov.uk/media/217374/cil-charging-schedule-april-2016.pdf

I hope this is helpful as a guide on the potential CIL position, but please do not hesitate to contact me if you require any further clarification.

Kind regards

Rick Long

Appendix 4
Proactis Portal Global Registration

eTendering Portal (EastMid Tender - Proactis) Global Registration

To become a registered supplier and view forthcoming tender opportunities for EastMid Tenders and all member authorities you must register on our website, an explanation of how to do this is shown below:

1. Go to our website located at www.eastmidtenders.org.
2. Click on Register Free within the Links on the left-hand side of the screen.
3. This will take you to the supplier registration introduction screen, click on the "next" button and make your way through the registration wizard ensuring you select as many categories as are relevant to your company’s products or services. After you have submitted your registration your username and password will be emailed to you.

Please note: For system security purposes from January 2013 you will no longer be able to use old version of internet browsers. You will need to make updates if you are using: Internet Explorer (v9) / Chrome (v23) / Firefox (v23) / Safari (v6.2) / Opera (v12.2) If you are not sure what browser you are using, then visit www.whatbrowser.com. For more information about updating your browser, visit www.gateway.browsers.

PLEASE KEEP YOUR USER NAME AND PASSWORD CONFIDENTIAL. WE RECOMMEND THAT YOU DO NOT TICK THE SAVE PASSWORD OPTION IN THE DIALOGUE BOX

This registration has now added you to a global list of suppliers for EastMid Tenders and all Member Authorities, it does not mean you will automatically be invited to tenders.

You now have the facility to login to the system and view any forthcoming contracts and register your interest against them. An explanation of how to do this is given below:

1. Go to our website located at www.eastmidtenders.org.
2. Click on Supplier Login within the Links on the left-hand side of the screen and enter your username and password. To register interest against a contract, click on the “Search Latest Opportunities” link.
3. Search for contract opportunities using the available search criteria (e.g. you can enter a contract reference number or a contract name within the ‘contains’ field).
4. Once you have located a contract you are interested in click on the contract title and click on the “Register Interest” button. Please Note: The “Register Interest” button will only be visible during the specified Expression of Interest start and dates and once you have registered your interest the button will be greyed out (you can hover over this to check the date and time the expression of interest was made).
5. Your contract registration will be confirmed by email and on screen.
6. Once you have registered, you will either receive an email immediately inviting you to take part in an RFP/POO/ITT exercise (with a link directly to the opportunity) or this will be issued once your interest has been approved. You can also access your RFPs/POOs/ITTs by logging in as above, clicking on “My Opportunities”, selecting the relevant authority from the dropdown box. This will show all available opportunities you’ve been invited to take part in.

If you need any assistance, please ring the Technical Support Team on (+44) 01670 897136 or email helpdesk@proactis.com
