Meeting & Conference Facilities at Markham Vale

Markham Vale is a fully sustainable and environmentally friendly centre for business and the community. The 18,000 square foot building has photovoltaic panels to generate electricity. It also boasts a rainwater harvesting facility.

The Environment Centre has three rooms of varying sizes which would host your training sessions, presentations or meetings. All rooms have air conditioning installed. The rooms have movable doors allowing flexibility of room sizes. In addition, our comfortable foyer area can be used for informal meetings and coffee breaks. The Centre is open between 9 am and 5 pm, Monday to Friday.

Room	Capacity	Full Day Cost	Half Day Cost
1	20 – 50	£115.00	£60.00
2	10	£80.00	£40.00
3	10	£80.00	£40.00

Room hire charges include the use of basic audio visual equipment, but all food and drinks will be charged for separately.

Why not call in and have a look around the centre and discuss your requirements with the Centre Manager, Trudi Saxton. Alternatively, you can telephone Trudi on 01246 826000 or send an email – trudi.saxton@derbyshire.gov.uk
