Dear John,

**Re :Report on the Draft Police and Crime Plan 2012/2017 and proposed Precept 2013/2014**

Thank-you for your letter of the 7 February 2012 in which you report the outcome of the Police and Crime Panel's review on 31<sup>st</sup> January of my draft Police and Crime Plan 2012-2017 and my proposed precept for the next financial year 2013-2014.

I am pleased to receive the Panel's unanimous recommendation that the draft plan is issued without amendment and accepting their recommendation will soon publish the plan accordingly.

In regard to my proposed precept I note the Panel's resolution to recommend that it be issued as proposed and that as a consequence no additional response is required of me to the Panel.

To assist with the requirement in legislation to publish confirmation of the Panel's recommendation and my own response I would ask that this is done together on Friday 15<sup>th</sup> February, when it will form part of my published papers to the next Strategic Governance Board.

Thank-you for your attention in this matter.

Yours sincerely,

Police and Crime Commissioner
