

If Derbyshire was
funded at the
same level as
Kensington and Chelsea
we'd be
better off by
£238 million –
that's an extra **£300** to
spend on **every** resident.

In Islington

the council has

£952 to

spend on every

resident – in Derbyshire

it's just £718

per resident.

Derbyshire is **in the bottom ten worst-funded councils** – ranking **140 out of 150** upper-tier English local authorities in terms of **money to spend per resident.**
