Dear Resident/Next of Kin

POTENTIAL CONSULTATION ON THE PROPOSED CLOSURE OF ADA BELFIELD CARE HOME, FIELD LANE, BELPER, DERBYSHIRE, DE56 1DE

I am writing to let you know that on 15 June 2016 the Cabinet member for Adult Care will consider a report concerning consultation on the proposed closure of Ada Belfield.

If you would like to see a copy of the report you can view it online or ask for one from the office at the home.

Consultation will be on the basis that current and future residents in Ada Belfield would be supported to transfer to a potential new development within Belper on Derwent Street when it is completed. Ada Belfield would only close once the new development, which is still subject to planning permission, is ready for residents to move in. I anticipate that this will be in late 2019.

The council is consulting in detail on the proposal for a period of eight weeks and during this time you will be able to give us your views in writing, online and at meetings that we have organised. More information on this is given in this letter and the enclosed leaflet.

No decision will be made about the future of the residential service provided at Ada Belfield Care Home until the council has consulted with you and others who might be affected and has considered the responses it receives.

Two meetings have been arranged at Ada Belfield for residents and family members and I would ask you to make a note of the dates and times:

15 June 2016 6- 8pm

28 June 2016 2 - 4pm

I am sure this will be an anxious time for you. I would like to reassure you that I remain committed to the council providing a high quality of residential care at Ada Belfield Care Home during this period.

Yours sincerely
