

Have your say on the way children's centre services are offered...

Derbyshire County Council is facing massive budget pressures and needs to save £157m by 2018 to meet Coalition Government spending targets.

We need to look at how we offer children's centre services so they're offered in the best possible way to support children and families within our limited budget.

Please take a few minutes to let us know what you think.

It's easy to find out more and take part:

- visit **derbyshire.gov.uk/ccreview** - free internet access is available on computers in libraries and some children's centres
- pick up a leaflet and questionnaire at a children's centre.
To find out where your nearest centre is visit **derbyshire.gov.uk/childrenscentres** or Call Derbyshire on **01629 533190**.

The closing date to get in touch is midnight on Tuesday 17 June 2014.
