

WHITE PEAK LOOP - BAKEWELL TO ROWSLEY SECTION

SCALE 1:10000

Trail to connect to existing Monsal Trail.

EXTENT OF WORKS

Details to be agreed for section past Elloholme Lodge.

Details of this section are being negotiated with the Haddon Estate

There is currently no public access along this section of the route

The only public access is via the existing public rights of way network

New bridges are to be provided where the trail crosses Park Lane and Church Lane. Negotiations are ongoing with Peak Park and the landowner to agree the details. See separate sheets showing indicative designs.

Work is required to repair existing tunnel and provide lighting similar to works carried out on the Monsal Trail.
