

MINUTES of a meeting of the **CABINET MEMBER – ADULT SOCIAL CARE** held on 20 April 2016 at County Hall, Matlock.

PRESENT

Councillor P Smith (in the Chair)

Also in attendance was Councillors R Davison.

Apologies for absence were submitted on behalf of Councillor P Jones

07/16 **MINUTES** **RESOLVED** that the minutes of the meeting held on 16 March 2016 be confirmed as a correct record and signed by the Cabinet Member.

08/16 **REPLACEMENT OF FIRE ALARM SYSTEM AT ROWTHORNE HOME FOR OLDER PEOPLE** Approval was sought to replace the fire alarm system at Rowthorne Home for Older People, Swanwick.

The fire alarm system at Rowthorne Home for Older People was approximately 40 years old and required replacement. This would include the control panel, detectors and associated wiring. It was envisaged that the required work would not impact significantly on residents living in the care home whilst it was being undertaken. The work would be undertaken by Property Services alongside the essential maintenance and refurbishment work which was currently being done.

It was estimated that the replacement of the fire alarm system would cost approximately £42,500, to be met from the Adult Care Maintaining Minimum Standards budget.

RESOLVED that approval be given for the work to be undertaken by Property Services to replace the fire alarm system at Rowthorne Home for Older People.
