

**DERBYSHIRE COUNTY COUNCIL**

**CABINET MEMBER FOR CHILDREN AND YOUNG PEOPLE**

**4 February 2014**

**Report of the Strategic Director for Children & Younger Adults**

**School Term Dates – 2015/16, 2016/17, 2017/18, 2018/19 and 2019/20**

**1 Purpose of Report**

- 1.1 To ask the Cabinet Member to consider the recommendation and approve the school term dates proposed for 2015/16, 2016/17, 2017/18, 2018/19 and 2019/20 for community, voluntary controlled, community special and maintained nursery schools.

**2 Information and Analysis**

- 2.1 In recent years Derbyshire County Council has sought to achieve a consistent approach to the setting of School Term and Holiday dates with its neighbouring authorities. The basis of this has been an agreement reached in 2004 between the Local Government Association and NASUWT which established a set of principles for agreeing standardised school term and holiday dates. These principles flowed in part from the recommendations of the Independent Commission on the Organisation of the School Year. The Commission stated the following principles are pre-requisites to delivering a national pattern, and the same principle can be applied to achieving local consistency.

- Start the school year on a September date as near as possible to 1 September.
- Equalise, as far as possible, teaching and learning blocks.
- Establish a two-week spring break in early April, irrespective of the incidence of the Easter bank holiday.
- Maintain a summer holiday of at least six weeks.
- Identify and agree annually designated periods of holiday, including the summer holiday, where headteachers are recommended not to arrange teacher days.

- 2.2 Derby City Council is in receipt of Derbyshire County Council's proposed dates and it is anticipated that it will adopt the same or a similar pattern. In considering these dates consideration has been given to children who may have siblings in different key stages who may attend schools in other neighbouring authorities.

- 2.3 Trade unions and professional associations support the proposed Derbyshire model.

- 2.4 Whilst the Education Act 2002 provides that for foundation and voluntary aided schools and academies the governing body determines the dates of school terms and holidays, many Derbyshire schools have indicated that they wish to continue to receive DCC's recommended term dates to serve as a basis for their decisions. In these circumstances it is proposed that subject to Member approval the Council will strongly recommend that schools should adopt the attached schedule of school term and holiday dates for the years 2015/16 to 2019/20. This will provide consistency for schools, young people, and their parents and carers.

### **3 Other Considerations**

- 3.1 In preparing this report, the relevance of the following factors has been considered: Prevention of Crime & Disorder, Equality of Opportunity and Environmental, Health, Legal & Human Rights Considerations.
- 3.2 Under the Education (School Day and School Year) Regulations 1999 all maintained schools should hold at least 380 half day school sessions during the school year.

### **4 Strategic Director's Recommendations**

- 4.1 The Cabinet Member is asked to consider the proposal in relation to school term dates in 2015/16, 2016/17, 2017/18, 2018/19 and 2019/20. It is recommended to approve the term dates set out in this report for community, voluntary controlled, community special and maintained nursery schools.
