

To consider the following Notices of Motion:-

(a) Motion received from Councillor K P Morgan:-

“That this Council supports the private members’ “ Affordable Homes Bill” now moving through parliament; supported and won by a coalition of Liberal Democrat and Labour members [304 - 267] and that we inform the Government accordingly.”

(b) Motion received from Councillor Mrs C A Hart:-

“After having re-instated Local Area Committees in July 2013, in an effort, according to the Council Plan, to communicate better with the public and to get local councillors better known, is it not time to review and think about saving money and officer time and disbanding the Local Area Committees which are not achieving their aims?”
