

## **DERBYSHIRE COUNTY COUNCIL**

**15 May 2013**

### **Report of the Director of Legal Services**

#### **Schedule of Appointments to Cabinet, Cabinet Portfolios and Committees**

##### **1. Purpose of the report**

To note the proposals of the Leader Designate of the Council with regard to Cabinet Members, portfolios and the Deputy Leader appointment. In addition, Council is asked to approve;

- the terms of reference of Local Area Committees
- the terms of reference of a Pensions and Investments Committee
- the terms of reference of the Health and Well-being Board
- the schedule of appointments to Committees for 2013-14

##### **2. Information and Analysis**

###### **2.1 Cabinet**

The Council's Constitution gives responsibility for the appointment of Cabinet Members and the allocation of responsibilities under their portfolios to the Leader of the Council. The Leader Designate of the Council has proposed that the Cabinet will comprise six members with the following portfolios:

- Strategy, Policy and Budget – Councillor A Western
- Children and Young People - Councillor K Gillott (Deputy Leader)
- Council Services – Councillor B Ridgway
- Jobs, Economy and Transport – Councillor J Dixon
- Health and Communities – Councillor D Allen
- Adult Social Care – Councillor C Neill

###### **2.2 Deputy Cabinet Members**

With the exception of the Leader, the five remaining Cabinet Members will be supported by nine Deputy Cabinet Members. Deputy Cabinet Members will not be members of the Cabinet and will not participate in executive decision making, but will work closely with a Cabinet Member. Deputy Cabinet Members will not be a member of the Improvement and Scrutiny Committee relating to the specific responsibilities of the Cabinet Member he/she is assisting or any other areas to which they are assigned.

The nine Deputy Cabinet Members proposed by the Leader Designate are detailed below:

- Children and Young People – Councillors J A Coyle and D Greenhalgh
- Jobs, Economy and Transport – Councillors A Botham and D Collins
- Health and Communities – Councillors P Smith and E Wilcox
- Adult Social Care – Councillors R Davison and P Jones
- Council Services– Councillor J Owen

### **2.3 Cabinet Portfolios**

The breakdown of the responsibilities under the six new portfolios will be allocated as detailed in Appendix 1 to the report.

### **2.4 Council Committees**

Responsibility for the establishment and approval of terms of reference of Council Committees rests with the Council. The Council's committee structure will remain unchanged save for the following exceptions;

#### **(a) Improvement and Scrutiny Committees**

There will be four Improvement and Scrutiny Committees. These will relate to:-

- People
- Places
- Resources
- Health

#### **(b) Local Area Committees**

It is proposed to establish Local Area Committees based on the eight district council areas. The terms of reference of the Committees are attached at Appendix 2. The terms of reference are general at this stage and it is intended that they will be amended to reflect the role of Local Area Committees as they develop.

#### **(c) Pensions and Investments Committee**

Previously the Council has operated with separate Pensions and Investments Committees. It is now proposed that they should merge to form a

single Committee. The terms of reference for the Committee are attached at Appendix 3.

**(d) Health and Well-being Board**

The Council is asked to agree the core functions and members of the Board as set out in the Terms of Reference attached at Appendix 4. The composition of the Board is the same as that for the Shadow Board but with the addition of the Police and Crime Commissioner for Derbyshire. The Council has a discretion to decide, should it wish to do so, that non-County Councillor members of the Board should not have a vote, subject to consultation with the Board.

**2.5 Schedule of Appointments to Committees**

The Council is required to approve the appointment of members to the various Council committees and sub-committees. With the exception of Local Area Committees, all appointments are based on the requirements of the Local Government and Housing Act 1989 regarding political balance. The schedule of appointments is attached at Appendix 5.

**3. Legal Considerations**

As contained in the report.

**4. Other considerations**

In preparing this report the relevance of the following factors have also been considered: financial, prevention of crime and disorder, equality and diversity, human resources, environmental, health, property and transport considerations

**5. Background papers**

File held by the Director of Legal Services.

**6. Officer Recommendations**

That the Council:-

- (a) notes the proposed appointment by the Leader Designate of the Council of the Cabinet and Deputy Leader, along with the associated Cabinet portfolio responsibilities as detailed in Appendix 1;
- (b) notes the proposed appointment of Deputy Cabinet Members as detailed in the report;

- (c) approves the terms of reference of Local Area Committees, the Pensions and Investments Committee and the Health and Well-being Board as detailed in Appendices 2, 3 and 4; and
- (d) approves the schedule of appointments to the Council's Committees and Sub-Committees as detailed in Appendix 5.

Members of the Committee receive appropriate training throughout the year designed to assist them in performing their duties.

## **DERBYSHIRE HEALTH AND WELLBEING BOARD**

The Derbyshire Health and Wellbeing Board will lead and advise on work to improve the health and wellbeing of the people of Derbyshire through the development of improved and integrated health and social care services.

### **Terms of Reference**

The Board will:

1. Identify and develop a shared understanding of the needs and priorities of local communities in Derbyshire through the development of the Derbyshire Joint Strategic Needs Assessment (JSNA) with the Clinical Commissioning Groups. In particular the Board will ensure that;

- the Derbyshire JSNA is reviewed, refreshed and further developed taking into account the latest evidence and data so that it is fit for purpose and reflects the views of local people, users and stakeholders.
- the JSNA drives the development of the Joint Derbyshire Health and Wellbeing Strategy and influences other key plans and strategies across the county.
- the County Council and Clinical Commissioning Groups demonstrate how the JSNA has driven commissioning decisions.

2. Prepare, publish and oversee the Joint Health and Wellbeing Strategy for Derbyshire to ensure that the needs identified in the JSNA are delivered in a planned, coordinated and measured way. Specifically, the Board will:

- take account of the health needs, inequalities and risk factors identified in the Derbyshire JSNA along with recommendations set out in the Director of Public Health's Annual Report.
- develop an agreed set of strategic priorities to focus both collective effort and resources across the county.
- ensure that plans are in place to deliver the Board's strategic priorities and outcomes.
- challenge the performance of delivery plans taking action as necessary to support underperformance through the agreement of recovery and improvement plans.

- review the commissioning plans for healthcare, social care and public health to ensure that they have due regard to the Joint Derbyshire Health and Wellbeing strategy and take appropriate action if they do not.
- receive reports from other strategic groups and partners in the county responsible for delivery, including specialist commissioning groups.
- develop mechanisms to measure, monitor and report improvements in health and wellbeing outcomes ensuring linkages with performance frameworks for the NHS, public health and local authorities.

3. Develop effective mechanisms to communicate, engage and involve local people and stakeholders in Derbyshire to ensure that the work of the Board reflects local needs. Specifically, the Board will:

- Ensure that appropriate structures and arrangements are in place to ensure the effective engagement and influence of local people and stakeholders.
- Represent Derbyshire in relation to health and wellbeing issues across localities and at a sub-regional and national level.
- Work closely with the Derbyshire HealthWatch ensuring that appropriate engagement and involvement with existing patient and service user involvement groups takes place.
- Appoint and direct task and finish groups to undertake assessment and development work in respect of particular projects on behalf of the Board in order to enable the Board to make recommendations regarding public health needs and to develop the Health and Wellbeing Strategy
- The Board will work closely with Healthwatch and the relevant Overview and Scrutiny Committee

4. Oversee the totality of public sector resources in Derbyshire for health and wellbeing and drive a genuine collaborative approach to commissioning. Specifically the Board will:

- oversee and develop a shared understanding of the totality of health and wellbeing commissioning expenditure in Derbyshire.
- retain a strategic overview of the work of commissioners in the county.
- support joint commissioning of NHS, social care and public health services and identify those service areas in Derbyshire where additional improvements in joint commissioning are required to achieve the Board's priority outcomes.
- recommend the development of aligned or pooled budgets and encourage partners to share or integrate services where this would lead to efficiencies and improved service delivery.
- make recommendations on the allocation of resources and on the priority of key projects to service providers and/or localities to achieve jointly agreed objectives.
- have an overview of major service reconfigurations in the county by relevant service providers and make recommendations to those providers to enable improved and integrated service delivery.
- facilitate a forum with service providers to enable appropriate engagement and involvement to enable improved service delivery.

5. Publish and keep up to date a statement of the needs for pharmaceutical services for the population of Derbyshire (a Pharmaceutical Needs Assessment).

## **Membership**
