IMPROVEMENT AND SCRUTINY - HEALTH COMMITTEE**

Report of the Director of Legal Services

WORK PROGRAMME June – September 2015

1. Purpose of the Report

To consider the Improvement and Scrutiny – Health Committee’s continuing work programme for the forthcoming months.

2. Information

The Committee will continue to respond to service reconfiguration proposals introduced by the county’s health service commissioners and providers.

In order for the Committee to undertake its responsibilities effectively, Members are keen to continue the current system of exchange of information between the Committee and the numerous service commissioning and providing organisations operating throughout Derbyshire.

The Chair and Vice Chair, along with the Improvement and Scrutiny Officer, already hold regular meetings with local CCGs and Derbyshire Community Health Services (the major provider of hospital and clinical care) to ensure that this Committee receives appropriate information on health service issues that impact on local communities.

3. On-going Work Programme

Although the majority of Health Scrutiny work is focussed on external service provision and its work programme is considerably influenced by the Health service community, the Committee will also undertake reviews of other service areas as appropriate.
