

**DERBYSHIRE COUNTY COUNCIL  
PEOPLE IMPROVEMENT AND SCRUTINY COMMITTEE**

**REPORT OF THE CHAIR OF THE COMMITTEE**

**14 MAY 2014**

**SAFEGUARDING WORKING GROUP: WORK PROGRAMME 2014/15**

**1. Purpose of the Report**

To note the safeguarding working group's work programme for 2014/15.

**2. Information**

The People Improvement and Scrutiny Committee agreed to have a working group on safeguarding and for this to be a standing item. It was therefore proposed that a work programme be developed for the working group. This will ensure lines of inquiry are structured around the business plans of the Authority's work on safeguarding and wider priorities of the Council Plan.

The work programme will ensure that the Authority is delivering against the following priorities as laid out in the Council Plan (A Derbyshire that cares):

- Thriving children, young people and families
- Independent and supported older people
- Adults with physical and learning disabilities leading independent and fulfilled lives

The work programme will focus on the key action plan of the Derbyshire Safeguarding Children Board and the developing priorities of the Derbyshire Safeguarding Adult Board. Appendix One details the work programme. Additional items may also be included in the safeguarding working groups' work programme as they arise.

**3. Considerations**

In preparing this report the relevance of the following factors has been considered: financial, legal, prevention of crime and disorder, equality of opportunity, human rights, personnel, environmental, health, property and transport.

**4. Background Papers**

None

**5. RECOMMENDATION**

The Committee note the work programme of the Safeguarding working group for 2014/15.

**COUNCILLOR DIANE CHARLES  
CHAIR OF PEOPLE IMPROVEMENT AND SCRUTINY COMMITTEE**
