

**DERBYSHIRE COUNTY COUNCIL  
IMPROVEMENT AND SCRUTINY COMMITTEE - PEOPLE**

**28 February 2018**

**Report of the Director of Legal Services**

**WORK PROGRAMME 2018/19**

**1. Purpose of the Report**

To consider the 2018/19 work programme for the Improvement and Scrutiny Committee - People.

**2. Information**

It is considered good practice that each Scrutiny committee develops and agrees an annual work programme. The identification of relevant topics and their allocation to a specific meeting date, focuses the work of the Committee and promotes transparency. It also provides an opportunity to determine which issues warrant more detailed investigation and should be subject to a scrutiny review.

In developing the work programme Members should consider what matters they would like to scrutinise and which individuals or organisations they would like to appear before the Community to give evidence. Examples of possible witnesses include, but are not restricted to, those listed below. It should be noted however, that there is not a legal requirement for representatives from external organisations to attend.

- Cabinet Members, particularly the portfolio holders for Adult Care, Young People and Health and Communities
- Strategic Directors
- Lead officers responsible for service areas
- Healthwatch Derbyshire
- Chair of Derbyshire Safeguarding Children Board
- Chair of Derbyshire Safeguarding Adults Board
- Health organisations

A proposed work programme for 2018/19 is given at Appendix one. As issues emerge during the course of the year they can, with the Chairman's agreement, be added to the work programme.

**3. Considerations (to be specified individually where appropriate)**

In preparing this report the relevance of the following factors has been considered: social value, financial, human relations, legal and human rights,

prevention of crime and disorder, equality and diversity, environmental, health, property and transport considerations.

#### **4. Officer's Recommendation**

It is recommended that the Improvement and Scrutiny People Committee consider and agree the work programme for 2018/19.
