**INFRASTRUCTURE AND INVESTMENT BOARD (iib)****28<sup>th</sup> February 2019****Budget Update**

Current forecast shows that in 2018/19 the programme is overcommitted by £19.15m. This will be offset by the money being held by Derbyshire County Council to achieve a balanced budget.

If the change requests put forward are approved today then the programme will spend £45.5m with an overspend of £13m.

The remaining balance held by DCC will then be returned to the programme in 2019/20.

The LEP and Accountable Body are currently reviewing the final two years grant profile to ensure a workable cashflow position.

The overall programme is currently showing an over commitment of £7.45m, which at the June 2017 IIB meeting was agreed to be funded by a £4m contribution from the Growing Places fund and the balances to be shared on an equitable basis by the 4 Upper Tier Authorities.
