Governance Policy and Compliance Statement

August 2018

Introduction

This is the Governance Policy and Compliance Statement (the Statement) for Derbyshire Pension Fund (the Fund) which is part of the Local Government Pension Scheme (the LGPS). The Fund is managed and administered by Derbyshire County Council (the Council) in accordance with the Local Government Pension Scheme Regulations 2013 (2013 Regulations). At a national level, the LGPS is governed by the Ministry of Housing, Communities and Local Government (MHCLG) and the LGPS Advisory Board.

The 2013 Regulations require an administering authority, after consultation with such persons as it considers appropriate, to prepare, publish and keep under review, a written statement setting out:

- whether it delegates its functions, or part of its functions under these Regulations to a committee, a sub-committee or an officer of the authority;
- the terms, structure and operational procedures of any such delegations;
- the frequency of any committee or sub-committee meetings;
- whether such a committee or sub-committee includes representatives of Scheme employers or members, and if so, whether these representatives have voting rights;
- the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying; and
- details of the terms, structure and operational procedures relation to the local pension board.

Governance Arrangements

Under the terms of the Council's Constitution, responsibility for the functions of the Council as the administering authority of Derbyshire Pension Fund is delegated to the Pensions and Investments Committee. A Local Pension Board, set up in 2015 in accordance with the Local Government Pension Scheme (Amendment) (Governance) Regulations 2015, assists the Council with the governance and administration of the Fund.

The day to day management of the Pension Fund is delegated to the Director of Finance & ICT who is supported by the Head of Pension Fund and in house investment and administration teams.

Pensions and Investments Committee

The Committee comprises eight voting Councillors representing the County Council and two voting Councillors representing Derby City Council. The County Council members of the Committee reflect the political balance of the Council. Two trade union representatives

are also entitled to attend meetings of the Pensions and Investments Committee as non-voting members.

Officers of the Council and an independent investment adviser also attend meetings to provide advice and support to members of the Committee. Other experts attend Committee to provide advice as required.

The Committee meets eight times a year and its responsibilities include reviewing and approving the Fund's:

- Investment Strategy Statement
- Funding Strategy Statement
- Treasury Management Statement
- Quarterly tactical asset allocation
- Communications Policy
- Pensions Administration Strategy

The Committee is also responsible for:

- Appointing the Fund's: Actuary; Independent Investment Adviser; External Fund Managers in advance of assets transitioning to the LGPS Central Pool; and AVC Provider
- Ensuring effective communications with Pension Scheme members and employers
- Managing the resolution of pension disputes in accordance with the Applications for Adjudication of Disagreements Procedure, including the appointment of adjudicators
- Reviewing policies relating to the administering authority's discretionary powers set out in the 2013 Regulations and subsequent amendments
- Considering recommendations from the Joint Committee of the LGPS Central Pool and making decisions in respect of those recommendations on behalf of the Council

Derbyshire Pension Board

The Public Service Pensions Act 2013 introduced a framework for regulatory oversight by the Pensions Regulator and introduced a new governance structure for the LGPS which came into effect in April 2015 and included the requirement for administering authorities to establish local Pension Boards.

The Pension Board consists of two Scheme Member representatives and two Scheme Employer representatives together with a non-voting Independent Chair.

Officers of the Council attend Pension Board meetings to provide advice and support to members of the Board.

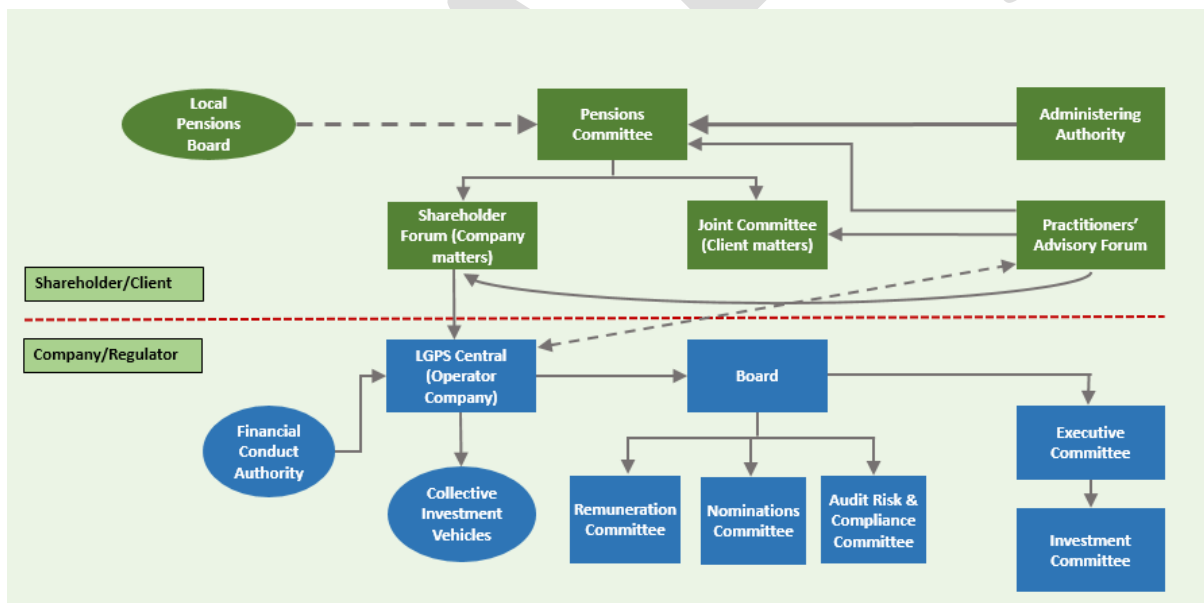

The role of the Pension Board is to assist the administering authority to ensure the effective and efficient governance and administration of the LGPS, including:

- Securing compliance with the LGPS Regulations and any other legislation relating to the governance and administration of the Scheme
- Securing compliance with any requirements imposed by the Pensions Regulator in relation to the Scheme

LGPS Central Pool

Derbyshire Pension Fund has partnered with the LGPS pension funds of Cheshire, Leicestershire, Nottinghamshire, Shropshire, Staffordshire, Worcestershire and West Midlands to form a collective investment pool, known as LGPS Central (the Pool), in accordance with Government requirements for the pooling of LGPS investment assets.

LGPS Central Pool Governance Arrangements

The governance arrangements of the Pool include the following bodies:

Joint Committee: to provide oversight of the delivery of the objectives of the Pool, the delivery of client service, the delivery against the LGPS Central business case and to deal with common investor issues. The Joint Committee provides assistance, guidance and recommendations to the individual Councils, taking into consideration the conflicting demands and interests of the participants within the Pool. The Joint Committee does not have delegated authority to make binding decisions on behalf of the participating Councils.

Membership of the Joint Committee consists of one elected member from each participating council. The Vice Chair of the Pensions and Investments Committee represents Derbyshire on the LGPS Central Joint Committee.

Shareholders' Forum: to oversee the operation and performance of LGPS Central Ltd and to represent the ownership rights and interests of the shareholding councils with the LGPS Central Pool. Collective shareholder discussions take place in the Shareholders' Forum and aim to ensure that the Councils act in a unified way in company meetings, having agreed to a common set of principles. Unanimous decisions are required for certain reserved company matters. Shareholder Forum meetings are distinct from LGPS Central Ltd company meetings, however members of the Shareholders' Forum also represent the councils at company meetings.

Membership of the Shareholders' Forum consists of one representative from each shareholding council. The Chair of the Pensions and Investments Committee represents Derbyshire at the Shareholders' Forum and at LGPS Central Ltd company meetings. Decisions are made in advance of the Shareholders' Forum and company meetings to enable the Council's representative to vote at these meetings. Wherever possible, any matter regarding LGPS Central Ltd which requires a shareholder decision will be taken to the Pensions and Investments Committee for consideration. Where the timetable does not allow for this, decision making is delegated to the Director of Finance and ICT following consultation with the Chair of the Pensions and Investments Committee.

Practitioners' Advisory Forum: a working group of officers appointed by the shareholding councils within the Pool to support the delivery of the objectives of the Pool and to provide support for the Pool's Joint Committee and Shareholders' Forum. The Director of Finance and ICT, the Head of Pension Fund and the Investment Manager represent Derbyshire on the Practitioners' Advisory Forum as required.

Review and Compliance with Best Practice

This Governance Policy and Compliance Statement will be kept under review and will be revised following any material change in the governance arrangements of the Pension Fund.

The 2013 Regulations require Administering Authorities to prepare and publish a statement which sets out the extent to which the governance arrangements of the Fund comply with statutory guidance issued by the Secretary of State which is based on best practice principles. The Fund's statement is set out below:

Principle	Compliance
Structure	

The management of the administration of benefits and strategic management of fund assets clearly rests with the main committee established by the appointing council.	Compliant The Pensions and Investments Committee is responsible for these functions under the Terms of Reference included in the Council's constitution.
The representatives of participating LGPS employers, admitted bodies and scheme members (including pensioner and deferred members) are members of either the main or secondary committee.	Partially Compliant Membership of the Pensions and Investments Committee includes two representatives from Derby City and two non-voting Trade Union representatives as well as eight representatives from the administering authority (also the largest employing body). In practice the Trade Union representatives tend to represent the interests of all scheme members. Membership and employer representation will be kept under review.
That where a secondary committee or panel has been established, the structure ensures effective communication across both levels.	Not applicable
That where a secondary committee or panel has been established, at least one seat on the main committee is allocated for a member from the secondary committee or panel.	Not applicable
Representation	
That all key stakeholders are afforded the opportunity to be represented within the main or secondary committee structure. These include: <ul style="list-style-type: none"> • Employing authorities (including non-scheme employers e.g. admitted bodies) • Scheme members (including deferred and pensioner scheme members) • Where appropriate, independent professional observers 	Partially Compliant Membership of the Pensions and Investments Committee includes two representatives from Derby City and two non-voting Trade Union representatives, as well as eight representatives from the administering authority (also the largest employing body). <p>That where lay members sit on a main or secondary committee, they are treated equally in terms of access to reports, meetings and training and are given full opportunity to contribute to the decision making process, with or without voting rights.</p>	<p>Partially Compliant All members of the Pensions and Investments Committee receive the same meeting reports and have access to the same training that is delivered locally. To date, only certain members of the Committee have had access to the LGA Fundamentals Training. The effectiveness of offering this training to all members of the Committee is being assessed. All voting and non-voting members of the Committee are given full opportunity to contribute to the decision making process.</p>

Training/Facility Time/Expenses	
That in relation to the way in which statutory and related decisions are taken by the administering authority, there is clear policy on training, facility time and reimbursement of expenses in respect of members involved in the decision making process.	Compliant The Fund has a training policy which applies to all members of the Pensions and Investments Committee and the Pension Board. A Training Plan has been developed based on self-assessment forms completed by the members of both bodies and a log of all training is maintained. The reimbursement of member expenses is in line with the County Council's policy of member reimbursement.
That where such a policy exists, it applies equally to all members of committees, sub-committees, advisory panels or any other form of secondary forum.	See above.
That the administering authority considers the adoption of annual training plans for committee members and maintains a log of all such training undertaken.	See above.

Compliant The Pensions Committee and the Investments Committee have been combined into the Pensions and Investments Committee which covers all aspects of investment, administration and governance. The Committee is now also supported by the Pension Board which assists with governance and administration matters.
Publicity	
That administering authorities have published details of their governance arrangements in such a way that stakeholders with an interest in the way in which the scheme is governed can express an interest in wanting to be part of those arrangements.	Partially Compliant The Governance Policy has previously been published on the Pension Fund area of the County Council's website. This Governance Policy and Compliance Statement will be attached to the relevant Pensions and Investments Committee report (published on the County Council's website) and published on the Pension Fund's newly developed website. The effectiveness of the new Pension Fund website in communicating with the Fund's stakeholders will be assessed.
