

COMPACT REVIEW GROUP for Derbyshire

Shared Vision : Derbyshire COMPACT underpins, informs and improves all partnership work between voluntary and statutory sectors.

Objectives

To raise understanding and use of Derbyshire COMPACT within all partner organisations

To exchange and promote good practice

To maintain and review a toolkit for COMPACT implementation

To identify Champions for Derbyshire COMPACT who will promote awareness at a local level

To develop a joint work programme for implementation of Derbyshire COMPACT

To maintain a list of organisations with signed commitment to the Derbyshire COMPACT

To undertake COMPACT mediation between statutory, voluntary and community organisations

To maintain strategic links

To ensure that the Derbyshire COMPACT remains fit for purpose and that progress is measured

Terms of Reference/ Meeting arrangements

The County Review group will meet quarterly

The County Review group is a sub group of the DPF and will report at least annually

Updates will be communicated to Local Strategic Partnerships and appropriate VCS networks

A chair will be agreed from group members. The chair will alternate between statutory and voluntary sector representatives

Membership of the group is open to representatives from statutory agencies, partner organisations and voluntary sector organisations

The review group will aim to have balanced representation

DCC will maintain distribution links for meeting information. Minutes at meetings will be taken on a rotational basis.

Partners will provide meeting venues on a rotational basis.

The review group members will undertake mediation of COMPACT breaches

The review group will ensure that ensure that an appropriate number and mix of representatives have undertaken mediation resolution training

Members of the County review group will participate in mediation of COMPACT breaches

COMPACT Champions may;

Raise awareness of Derbyshire COMPACT

Ensure COMPACT updates are communicated widely to their networks in statutory and voluntary sectors

Identify and share good practice with the county review group

Report on progress of local and county action plans at regular intervals

Facilitate a local action plan
