Welcome to our summer course programme

As well as our regular art and crafts, languages and fitness courses, we have a host of short workshops and taster sessions to tempt you this summer. See pages 3 and 4 for details.

We are also gearing up for the next academic year, with information sessions for some of our larger qualification courses that start in September. If you are looking for professional development in your current role or to move into a new career, take a look at what we can offer on pages 9 and 10.

If you don’t have maths, English or IT qualifications and this is holding you back, we can help with that too, and most courses are **FREE**. See pages 11 and 12 for details.

Go Green with our Festival of Learning!

June sees the start of our **Festival of Learning** celebrations and the theme this year is **Go Green Derbyshire** to tie in with Derbyshire County Council’s campaign to get everyone doing their bit for the environment.

Look out for events and workshops in this brochure with the **#gogreen Derbyshire** logo.

Our DIY wedding workshops will help you keep down the costs by planning and doing a lot of the work yourself (with help from friends and family!).
