Are you looking for learning that is flexible and designed around you?

We can help you to build your confidence and gain real skills for work or further study. We'll help you decide your next steps.

Derbyshire Adult Community Education Service provides valuable opportunities for young learners of all backgrounds and experiences. Many of our learners aged 14–19:

- need learning that is different to that offered in schools
- are school leavers who are not sure what to do next
- are Children in Care or Care Leavers
- learn with us to enhance their elective home education
- have been referred through local Multi-Agency Teams.

These individualised programmes allow learners to develop their skills and confidence and encourage progression to further learning, volunteering and employment. Our programmes promote the benefits and value of all learning for physical and mental wellbeing.
