

## Admissions Policy 2018-19

### Introduction

Immaculate Conception Catholic Primary School is a Catholic school in the Diocese of Hallam.

The school provides distinctive Christ centred, Catholic education for children aged 4+ to 11+ years, with priority being given to Catholic children who live within the parish/parishes of the Immaculate Conception.

It is a Catholic Voluntary Academy in which the Governing Body is responsible for admissions. It is guided in that responsibility by the requirements of law; the requirements of the Trust Deed and the school's Articles of Association; by advice from the Diocesan Trustees and its duty to the Catholic community and the Common Good.

Please note that admission to Immaculate Conception Catholic Primary School does not guarantee admission to a Catholic High School, which has its own admission policy.

The admission number for 2018/2019 is 30.

The governing body will, where possible, admit twins and all siblings from multiple births where one of the children is the 30<sup>th</sup> child admitted.

### Co-ordinated Scheme for Admission Arrangements

The co-ordinated scheme for admissions is a mechanism that ensures that all parents/carers resident in *Derbyshire* LA and who have expressed a preference for Immaculate Conception Catholic Primary School before the closing date will receive a single offer of a school place on the same day from the Authority. In order to provide every parent with an offer of one single place the Authority will be working with the Governing Bodies of the Catholic Voluntary Academies within the *North East Derbyshire* area, including Immaculate Conception Catholic Primary School. Details of the co-ordinated scheme can be obtained from the Local Authority.

### Pupils with a statement of Special Educational Needs

The admission of pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.(footnote 3)

**Applications are made by completion of the COMMON APPLICATION FORM on line at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions). If you cannot access this you can call 08456 058 058 for staff to take your application details in November. A SUPPLEMENTARY INFORMATION FORM,**

**which is required by the School to ensure that all children are placed in the appropriate admission category is available from the school (Tel: 01246 432916) and should be returned to the school.**

### **Parental Preference**

The Local Authority Common Application Form provides the opportunity for parents/carers to express up to three choices of schools in rank order of preference. You are invited to submit up to three ranked preferences on the Local Authority's Common Application Form. Applications will be considered on an Equal Preference basis, ranking by preference will only be used in the final allocation for a place where there is more than one potential offer.

### **Date of Admission to the School for 2018/2019**

A child is entitled to a full time place in the September following their fourth birthday. A request may be made for the date at which a child, below compulsory school age, is admitted to the school, to be deferred to a later date in the school year but not beyond the point at which they reach compulsory school age or beyond the beginning of the final term of the school year. A child may take up the offer of a part time place until the child reaches compulsory school age. On receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to defer their child's entry to school or where possible take up a part time place.

### **Admission of children outside their Normal Age Group.**

Request may be made for children to be admitted outside of their normal age group. Any such request should be made in writing to the headteacher of the school. The Governing Body will make its decision based on the circumstances of each case and in the best interests of the child. Including taking into account the views of the headteacher, including the headteacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

### **Criteria for Admission:**

Where there are more applications for admission than the planned admission number stated (footnote 1), the Governing Body will apply the following criteria in strict order of priority:

Should the planned admission number be reached mid category, the Governing Body, as the admissions authority will make a decision based on distance – with priority for admission being given to children who live nearest to the school as the crow flies. The distance will be measured from the main entrance of the child's home to the main entrance of the school by the Local Authority and provided to the school.

In circumstances where two or more children live the same distance from the school the offer of a place will be decided by random allocation. Random allocation will be carried out in a public place and be supervised by a person independent of the school. All names will be entered into a hat and the required number of names drawn out.
