

LITTON CE(A) PRIMARY SCHOOL
ADMISSIONS POLICY
September 2020

Admission to Litton C of E Primary is co-ordinated by Derbyshire Education Authority at http://www.derbyshire.gov.uk/education/schools/school_places/default.asp) We can admit up to 8 pupils in each year group. In the event of over subscription, the following criteria will be applied in order.

1.Children who have a Statement of Special Educational Needs which specifically names the school.

2. Children in Public Care (and children who were in care and became subject to an adoption, residence or special guardianship order.)

3. Children who live in Litton with a sibling already at the school. (Children whose main residence is in that part of the civil parish of Litton that falls within the ecclesiastical parish of Tideswell who will have at least one sibling (step/half/adoptive brothers or sisters living at the same address) at the school at the time of admission

4. Children who live in Litton

Children whose main residence is in that part of the civil parish of Litton that falls within the ecclesiastical parish of Tideswell

5. Children from the Wider Area who will have at least one sibling already at school, (step/half/adoptive brothers or sisters living at the same address) at the school at the time of admission, who live the closest distance to the school, where distance is measured by the most direct walking route from the front door of the residence to the front door of the school (using the LA Geographical Information System described in the LA admissions document)

6. Children Whose Parents Attend a Christian Church

Children from the wider area where one parent can demonstrate that they have regularly, on an average of once per month, attended a Christian church during the preceding 12 months prior to application. Attendance should be verified by a member of the church leadership.

7.Children from the Wider Area who live closest to school.

Children whose main residence is closest distance to the school, where distance is measured by straight line. The Children's Services Department has a Geographic Information System (GIS) to measure the straight line distance. It is measured by a standard straight line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the postal address file and will normally be the centre of the school for primary phase schools.
