Admissions

The Wilsthorpe School Admissions Policy follows the guidance set out in the School Admissions Code (2014).

Normal Admissions Round

Derbyshire County Council continues to administer the admissions for children in the normal admissions round (aged 11) and the school will accept applications for all students without reference to ability or aptitude. For 2020/2021, the school's Published Admissions Number is 210. The Pupil Admissions Number is the maximum number of places that the school offers before its over-subscription criteria is used. All pupils who have an Education Health Care plan which names the school, will be admitted. For all other pupils, where applications for admissions exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit.

Over-subscription

1. Looked After children and children who were Looked After but ceased to be because they were adopted (or became subject to a Residence Order or Special Guardianship Order).
2. Children living in the normal area served by the school at the time of application and admission who have brothers and sisters attending the school at the time of application and admission.
3. When the child's living in the normal area of the school at the time of application and admission
4. Children not living in the normal area served by the school but who have brothers and sisters attending the school at the time of application and admission.
5. All other children not eligible under the above criteria.

When in the case of points 2, 3, 4 and 5 above, choices have to be made between children satisfying the same criteria. Those children living nearest to the school (measured by straight line distance) will be given preference.

To apply for a place at Wilsthorpe School, please apply via the following website
www.derbyshire.gov.uk/admissions or 01629 533190

All applications must be made directly to the Derbyshire LA who will coordinate admission arrangements. Parents of children not offered places will have the right to appeal and will be advised of procedures, should such a situation arise.

In Year Admissions

Wilsthorpe is a very popular school and there is limited space for additional students in any year, no space in some.

Any parent wishing to transfer their child to Wilsthorpe School mid-term, should contact the school to begin the admission procedure. The school will then process all applications with the parent and notify Derbyshire County Council of the outcome.

All enquiries should be directed in the first instance to Ms Lisa Cooper, Admissions Officer.
