70 What do you think of this guide?

---

We can supply this guide in large print, Braille, recorded onto CD or in other languages. Please call 01629 537479
A glossary of terms used in this guide

**Community and voluntary controlled schools** are funded by Derbyshire County Council with the headteacher and governing body responsible for running the school. The admissions policy is determined and administered by the county council.

**Voluntary aided schools** are jointly funded by Derbyshire County Council and a voluntary organisation, usually a church diocesan board. The headteacher and governing body run the school. The admissions policy is determined and administered by the governing body. Catholic schools are voluntary aided schools.

**Foundation schools** are funded by Derbyshire County Council but responsibility for running the school rests with the headteacher and governing body. The admissions policy is determined by the governing body.

**Academies** are funded directly by central government and responsibility for running the school rests with the headteacher and academy trust. The admissions policy is determined and administered by the academy trust.

All of the above schools are called **mainstream** schools.

**Enhanced-resource schools** are mainstream schools with additional resources, such as extra staff, for certain children with Statements of Special Educational Needs or an Education, Health and Care Plan. Pupils are not generally taught separately and are included in the mainstream classes.

**Special schools** are attended by children with Statements of Special Educational Needs or an Education, Health and Care Plan. Special schools provide for pupils whose disability requires a more comprehensive approach than a mainstream school or an enhanced-resource school can provide. Some experience of mainstream school may be possible. The council handles admissions for all special schools.

The **normal area** is a defined geographical area, which the school serves. You will be advised of your normal area school if you apply online or by phone. Alternatively, you can enter your postcode into an interactive tool on our website [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions) to find out what your normal area school is. You can also find out from the Admissions and Transport Team by emailing admissions.transport@derbyshire.gov.uk or ringing the Admissions and Transport Team on 01629 537479. Search for a school and view normal area maps at [https://www.derbyshire.gov.uk/education/schools/school-places/normal-area-school-search/find-your-normal-area-school.aspx](https://www.derbyshire.gov.uk/education/schools/school-places/normal-area-school-search/find-your-normal-area-school.aspx)

If you consider your child **Catholic**, it means they are also resident in the normal area of a Catholic school. If you are unsure about your child’s status regarding the Catholic school serving your area, contact the diocese for advice. The number is on page 5.

We use the word **parent** throughout the guide. It means anyone who has a parental responsibility in accordance with the terms of the Children Act 1989.

A few children with special educational needs require a detailed assessment by us. This was previously called a statutory assessment of special educational needs; however it is now called an education, health and care needs assessment. The child’s requirements are set out in a document called a **Statement of Special Educational Needs / Education, Health and Care Plan**.

The **published admission number** is the set number of places available at a school.
Letter from Councillor Alex Dale

Going up to “big school” is a huge step for any child. As a parent you play a vital part in helping your son or daughter adjust to this important milestone in their educational journey.

By now you’ll have had some thoughts about the school you’d like your child to attend. This guide is designed to help you through the process so it’s as simple as possible.

It’s easiest to apply for a school place online at www.derbyshire.gov.uk/admissions where you’ll find information, support and advice.

If you don’t have internet access Call Derbyshire on 01629 533190 to make a telephone application.

If for some reason you are unable to make an application either online or by telephone ring the Admissions and Transport Team on 01629 537479.

We’re keen to make sure the transition to secondary school is a positive experience for your child, and lays firm foundations for a bright future for them.

We hope this guide is useful. If you need further information visit www.derbyshire.gov.uk/admissions or call our Admissions and Transport Team on 01629 537479.

I wish you the very best and hope your family enjoys taking this next step together.

Councillor Alex Dale
Cabinet Member for Children’s Services
Derbyshire County Council
Where to go for more information after reading this guide

We hope that you will find all the information you need in this guide. However if, after reading it, you still have a question to ask, the following websites and phone numbers should help.

How to get in touch with the School Admissions and Transport Team

Call the Admissions and Transport Team on 01629 537479.

The team can be emailed at admissions.transport@derbyshire.gov.uk

By post

You can write to the
Admissions and Transport Team

Moving from primary school to secondary school

How to use this guide

Please read all the information contained in the guide before making an application.

If you are a parent living in Derbyshire, excluding Derby city, the information contained in this guide explains how you can apply for a secondary school place for your child – whether that school is in or outside Derbyshire. If you are requesting a place at a school outside Derbyshire we will send the form to the neighbouring council for consideration and liaise with them through the process. The decision on whether the child can be offered a place will be taken by the council which runs the school, or the Governing body if it is a voluntary aided, academy or foundation school. You may want to check with the school's home council how places are allocated in that area. This does not include independent schools. Similarly, if you live outside Derbyshire but want your child to attend a Derbyshire school you should make the application through your home council who will liaise with us.

We invite you to state preferences for any three schools and give your reasons.

We would prefer you to apply online. It’s quick and it’s free. See www.derbyshire.gov.uk/admissions

Or, if you cannot access the internet you can apply by phone. Ring Call Derbyshire on 01629 533190. The call centre is open between 8am and 8pm, Monday to Friday, and Saturdays 9.30am to 4pm.

If for some reason you are unable to make an application either online or by telephone ring the Admissions and Transport Team on 01629 537479.

How does it work?

You fill in one application only, no matter how many schools you want to apply for. There is no need to fill out a separate application for each school. Only make one application online or by phone. Derbyshire County Council acts as a clearing house for admitting all Derbyshire pupils to secondary schools.

If your child attends a school outside of Derbyshire which operates a different pattern of education and they are due to transfer secondary school phase in September 2020, the information on secondary transfer will also apply to you. Similarly if you wish to express a preference for your child to transfer to a 14-19 studio school or university technical college (UTC) the information in this guide also applies (for the JCB Academy please contact the establishment directly).

Please note there is no automatic right to a place in any particular school, even where a child lives in the normal area of a school, has a sibling in attendance or attends an associated primary school.

Supplementary forms
Some voluntary aided, academy and foundation schools may want you to fill in a supplementary form or provide documentation in addition to an application you make to us. Look at the school's website to see if this is the case. This is so that they can apply their own admission criteria. For example, they might want proof of your address or proof that your child has been
baptised. Supplementary forms are available from the relevant school and from Derbyshire County Council, including online. Any additional paperwork of this type should be returned to the school by the closing date. This supplementary paperwork is not instead of our application form. You will still need to make an application to us.

**Special Educational Needs**
If your child has a Statement of Special Educational Needs or an Education, Health and Care Plan his or her transfer is dealt with through the statement. You should contact the Special Needs Section of Derbyshire County Council - sen.admin@derbyshire.gov.uk

**The application process explained**

You will fill in one application form – either online or by phone – on which we invite you to state three preferences for any secondary school.

- We ask you to put your preferences in priority order, listing your most preferred school first.

- The closing date is midnight on 31 October 2019.

- All applications are considered against each school’s published admission number (the number of places available in the year group).

- If there are more applications than there are places available at a school, places will be allocated according to the school’s published admissions criteria. See pages 13 to 16.

- If a child can be offered a place at more than one school, then a place will be offered at the highest priority school possible.

- If you apply online your offer will be emailed on 2 March 2020 or you can log on to get the result. We will offer you one place only.

- If you don’t have an email address your offer will be posted second class on 2 March 2020.

- For more information on admissions policies for community and voluntary controlled schools. Please see pages 13 to 16.

- Voluntary aided, academy and foundation schools decide their own policies. See pages 15 and 37 to 54.
When will my child start secondary school?

Date Born                       Start School
Between 1 Sep 2008 and 31 August 2009  Sep 2020

Important dates for your diary

Week beginning  
2 September 2019  
Information is distributed via primary schools

9 September 2019
Online admissions will be available at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions). Telephone admissions are available by ringing Call Derbyshire on 01629 533190.

Midnight on 31 October 2019
We must have received your preferences by this date – either online or by phone. It doesn’t matter how early you apply so long as you apply by the closing date.

2 March 2020
If you applied online we will email your offer on this date or you can log on to get the result. We will post your offer letter second class on 2 March if you have no email address. Please note, no decisions can be given over the phone. 2 March is National Offer Day. All councils nationwide make their offers on the same day.

30 March 2020
Closing date for submitting an appeal in relation to Derbyshire schools if you are not happy with the school allocated to your child.

15 June 2020
Appeals normally heard by this date.

September 2020
Children start school. The school your child has been offered a place at will be in touch with you about the exact date.

You MUST submit your school preferences by midnight on 31 October 2019.
We prefer you to apply for a school place online at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions)
If you have further questions

Email the Admissions and Transport Team at admissions.transport@derbyshire.gov.uk or call the Admissions and Transport Team on 01629 537479.

But first have a look at the website www.derbyshire.gov.uk/admissions

Read this guide carefully – your question may have been answered already. Information is also available on the Department for Education’s website www.gov.uk/schools-admissions

If you want to find out more about a school

For information about individual schools refer to the school’s own brochure. If you haven’t had a brochure, contact the school or visit the school’s website.

All schools hold open evenings for prospective parents and pupils to have a look around and speak to teachers. You are strongly advised to visit schools, have a look around and speak to teachers before making an application.

OFSTED reports and performance tables are available from schools, libraries or online at www.derbyshire.gov.uk

Talk to parents of children who already go to the school you are interested in.

How to apply

From 9 September 2019 you can apply online at www.derbyshire.gov.uk/admissions. If you cannot access the internet you can apply by ringing Call Derbyshire on 01629 533190. If your child goes to a Derbyshire primary school, you will receive admissions information from the school some time during the week commencing 2 September 2019.

You only make one application and you are invited to state three preferences on it. This is the only application form you need to fill in – whether you do that online or by phone.

Please note, if you apply online or by phone, your application will be acknowledged automatically.

Need help?

If you wish to access independent advice or information on school admissions or appeals you can contact Coram Children’s Legal Centre at www.childrenslegalcentre.com or call 0300 3305485.

Applying online

We prefer you to make your application online – which means you need not wait for the post before finding out which school your child has been offered a place at. If you have applied online you can view your offer online on 2 March 2020.

Log onto www.derbyshire.gov.uk/admissions and you will find the online application form. This will be made available from 9 September 2019 until the deadline of midnight on 31 October 2019. The system will then close for a short period after this date and time and then re-open to accept late applications.
Internet access is available free of charge at all Derbyshire libraries and children’s centres. Some schools may also let you apply online using their computers.

The online application form will enable you to make your application and send it to us immediately. You will receive confirmation that your application has been received. Even after you have made your application you will be able come back and make amendments at any time up until the deadline.

The advantages of making your application online are that you have the assurance that your application has been received and you will also be able to keep a record of the application you made.

When you apply online, you will need to give a username and password. Online applications will be issued with a unique identification number. Please make a note of these details.

The process should be easy to follow but if you have any problems you can ring the Admissions and Transport Team on 01629 537479 or make a telephone application.

For technical problems please contact admissions.techsupport@derbyshire.gov.uk with details of your computer, web browser and specific nature of the problem.

Call Derbyshire is open between 8am and 8pm, Monday to Friday, and Saturdays 9.30am to 4pm.

Why should I apply online?

- It’s quick and easy to do
- It’s secure – only you can see your information
- The system helps you by checking for errors before you submit your application
- The application procedure is easy to follow as you are guided throughout the application process
- You can save your unfinished application and complete it at a later date
- You can change your application at any time up until the deadline
- We will confirm the application has been received
- You can view your application at any time
- The environment benefits from a reduction in the use of paper forms and envelopes
- We will email you with our decision on 2 March 2020 – it’s quicker than waiting for the post
- You can also log on to get the result of your application on 2 March 2020
Applying by phone

If you cannot access the internet, from 9 September 2019 you can make your application by phone. This will be available until the call centre closes on 31 October 2019. The facility will then close for a short period after this date and time and then re-open to accept late applications.

Call Derbyshire on 01629 533190 and a member of our call centre staff will fill in an application for you.

The call centre is open between 8am and 8pm, Monday to Friday, and Saturdays 9.30am to 4pm.

What information will I need to hand when I’m applying by phone?

- You will need to have made a decision about the three preferences we invite you to make and your reasons.
- Your child’s full name.
- Your child’s date of birth.
- Your child’s address and postcode.

Why should I apply by phone?

- It’s quick and easy to do – usually around 15 minutes to complete a telephone application.
- Call centre staff can make sure the application is filled in correctly.
- Calls will be recorded as part of our commitment to training, audit and quality assurance. Call charges may vary and calls from mobile phones may cost considerably more.
- You will receive a copy of your completed application form in the post or by email.
- If you want to change your mind you can phone Call Derbyshire, quoting your username, password and unique identification number, and amend your application – up until the call centre closes on 31 October 2019.

Important points

- Get your application in on time – via the internet or call centre. If you miss the deadline we will not be able to consider your application until we have dealt with the ones that we received on time.
- Don’t name the same school more than once as a preference – this will not increase your chances of a place.
- We will withdraw a school place where false information has been used to secure an offer.
- Think about listing your normal area school.
  You may want to consider including the normal area school as one of your preferences, though it does not have to be your first preference. If you do not include the normal area school as one of your preferences it may fill up with pupils who have said they would prefer to go to that school. This could mean the only school with available places may be further away and could mean you have to pay for transport to a distant school.
• **If you do not make an application you cannot assume your child will get an automatic place at your normal area school.**
  We will first offer places to those who have expressed a preference. If you do not make an application we will only be able to give your child a place at your normal area school if places are still available. If your normal area school is full we will give your child a place in the nearest school which has room. This could mean you paying transport costs to a distant school.

• **Consider how your child will get to school when making your preferences.**
  You are responsible for getting your child to school. If your child gets a place at a distant school, this could mean that you pay transport costs. Details of the transport policy are on page 19. Read these carefully before deciding your preferences.

• **Only make one application online or by phone.**

• **Late applications received after the closing date** will be included only if the reason for the delay is considered exceptional and appropriate evidence has been provided. Other late applications will not be considered until after applications received by the closing date have been dealt with.

![Image](https://www.derbyshire.gov.uk/admissions)

Make sure your application is in by midnight on 31 October 2019.
We prefer you to apply for a school place online at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions)

---

**The rules for getting a place at a Derbyshire school**

Who decides the rules?

In community schools and voluntary controlled schools, Derbyshire County Council decides the rules for getting places.

In voluntary aided, Catholic schools, academy and foundation schools, the governors decide admission rules for their school.

**The rules are known as ‘admissions criteria’**

Under the 1996 Education Act, you have a legal right to express a preference for which school you want your child to attend. The county council and school governors have a general duty to meet this preference – as long as it does not “prejudice the provision of efficient education or the efficient use of resources”.

**In law there is no automatic right to a place in any particular school**

We will offer you one place, at the highest priority school possible.

Where we cannot offer a place at any of your chosen schools, your child will be allocated a place at the normal area school – if places are still available – or the next nearest school with places available.
You should bear in mind that school admissions to Year 7 are considered on an annual basis – it is not possible to confirm that a place is available at a school before 2 March in the year before your child will join.

Each year secondary schools have to admit eligible pupils on request up to their published admission number (as shown in the list at the back of the guide) which takes account of the amount of accommodation available.

In the case of offers for places in schools in neighbouring councils, they make the decision and we make the offer on their behalf.

**Admissions criteria**

**Community and voluntary controlled schools**

Individual pupils who have an Education, Health and Care Plan (EHC) which names the school will be admitted.

In deciding on admissions to all community and voluntary controlled secondary schools in Derbyshire, the following order of priority will be adopted. The Eckington area, however, has different rules. These are set out under the heading ‘Eckington Area’ below.

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order).

2. Children living in the normal area served by the school at the time of application and admission who have brothers or sisters attending the school at the time of application and admission. For a definition of living in the normal area see note* on page 14.

3. Children living in the normal area served by the school at the time of application and admission. For a definition of living in the normal area see note* on page 14.

4. Children not living in the normal area served by the school but who have brothers or sisters attending the school at the time of application and admission. See note** on page 14.

5. In the case of voluntary controlled church schools, children whose parents request a place on religious grounds.

6. Other children whose parents have requested a place.

Where, in the case of 2, 3, 4, 5 or 6 above, choices have to be made between children satisfying the same criteria, those children living nearest to the school (measured by straight line distance) will be given preference. See note*** on page 14.

Please note, attendance at a particular primary school gives no priority for admission to a particular secondary school, except in the Eckington area. See next page.
Eckington Area

The admissions criteria in the Eckington area are as follows:

Eckington School

Individual pupils who have a Statement of Special Educational Needs or Education, Health and Care Plan which names the school will be admitted.

(i) Looked after children and children who were looked after but ceased to be because they were adopted (or became subject to a child arrangement order or special guardianship order).

(ii) Children attending the school’s main contributory primary schools at the time of application – that is Eckington Junior, Camm’s Endowed Primary, Renishaw Primary, Ridgeway Primary, Marsh Lane Primary, Killamarsh Junior, Killamarsh St Giles CE Primary and Immaculate Conception Catholic Primary (those pupils not proceeding to St Mary’s Catholic High School in Chesterfield) and who have older brothers or sisters** already attending Eckington School at the time of application and admission.

(iii) Children attending the school’s main contributory schools (as listed above) at the time of application.

(iv) Children who have brothers or sisters** attending Eckington School at the time of application and admission.

(v) Other children whose parents have requested a place.

If choices have to be made between children in Categories (ii), (iii), (iv) and (v) above, children who live nearest to the school – measured by the nearest available route – should be given preference.

Please see ‘How to apply for a place at Primary School – a guide for parents’ for the admissions criteria for infant, primary and junior schools in the Eckington area.

Definitions

*Living in the normal area is defined as the child having settled residence in a property which is the child’s only or main residence. Documentary evidence including proof of residence at the property concerned may be required e.g. council tax/utility bills, sale/rental agreements. The County Council reserves the right to withdraw any offer of a school place which has been obtained as a result of misleading or fraudulent information.

Please note a place cannot be guaranteed for any child, even those living in a school’s normal area (or, in the Eckington area, attending a contributory primary school).

**The term brother or sister includes:

(a) a half-brother and/or a half-sister
(b) a legally adopted child being regarded as a brother or sister
(c) a step-brother and/or step-sister residing in the same family unit

***Route Measurement The Children’s Services Department has a Geographic Information System (GIS) to measure the straight line distance. It is measured by a standard straight line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the postal address file and will normally be the centre of the school for primary phase schools, or the nearest gate or entrance for secondary schools.
Residence – in all categories

The home address used for school admission purposes is the address where the child is residing at the time of both application and admission.

Where an application includes more than one address due to shared parental responsibility, we will use the address where the child resides for the majority of the school week (where they usually or mainly sleep between Monday and Friday).

Parents and carers are required to submit full details with supporting information to enable us to determine which address to use for the purpose of admission.

Where parents provide evidence that the child resides equally at both addresses during the school week, and we are unable to reach a decision based on the information received, parents will be asked to notify the Council of the mutually agreed address to be used for the purpose of school admissions. Please note the same address will be used in the assessment of eligibility for home to school transport assistance.

Where the county council has reasonable grounds for believing the home address is not the child’s only or main residence it reserves the right to carry out investigations which may include visits to the property.

What to do if both parents cannot agree on the school(s) to be applied for
Parents are expected to consult with each other and agree on the school(s) for which they wish to express a preference. The Council is unable to investigate whether applications have been agreed, or to resolve disagreements between parents. In the absence of agreement between parents the Council will process the preference of the parent who has care of the child for the greater part of the school week (see definition of residence). In cases where the Council is unable to determine the home address (see definition of residence), and/or there is no parental agreement or Court Order, the Council will be unable to process the application further until the matter has been resolved. Parents are encouraged to resolve disagreements as soon as possible, as delays may affect the availability of places at preferred schools.

Once a school place has been offered, any disagreement on the child’s placement will be a matter for parents to resolve.

Voluntary aided, academy and foundation schools
The criteria for admissions to aided, academy and foundation schools are decided by each school’s governing body and are listed briefly on pages 37 to 54 of this guide in ‘Summary of admission policies for voluntary aided, academy and foundation schools’. Full details can be obtained directly from the school.

Withdrawing an offer
For admission procedures to be fair it is important that all the information you provide is accurate. If we find that any information provided by parents is misleading or fraudulent, the county council reserves the right to withdraw any offer of a school place.
What to do if….

I have changed my mind about the school I want my child to attend

You can change your mind easily - as long as it is before the deadline on 31 October 2019.

If you have made an online application just log on and amend your form.

If you have made an application by telephone you must contact Call Derbyshire on 01629 533190.

But if you change your mind after the deadline preference changes will only be accepted where the Council agrees there is good reason for doing so, for example a change of address. Supporting evidence may be required.

You should be aware that whilst a change in your preference order may be accepted by the Council, dependent on the point it is received in the allocation process it may not be possible to action the change until after the offer date, particularly if the change involves a school(s) in other council areas and preference information has already been exchanged.

You should also bear in mind that if you wish to add a new school to your preferences this may be treated as late.

If you do change your mind after the deadline you must either email the Admissions and Transport Team on admissions.transport@derbyshire.gov.uk or call them on 01629 537479.

My circumstances have changed, such as change of address or change of current school

If you or your child’s circumstances change, such as a change of address or a change of current school, you must contact the Admissions and Transport team immediately on admissions.transport@derbyshire.gov.uk or call them on 01629 537479.

Any change in your circumstances might affect the allocation of a school place.
Changing your child’s school at other times

You may want to apply for your child to change schools other than when they are due to start primary, junior or secondary education. This could be because of a change of address. These are known as in-year admissions.

In-year applications for admission to school

Changing a child’s school is a very important step to take; it can affect your child in many ways. Guidance notes are provided by the council to help you through the in-year application process. It is important to read the notes before completing an application.

If you want to apply for a place at a school in Derbyshire you can do this online at www.derbyshire.gov.uk/admissions

Please note some own admission authority schools do not co-ordinate with the Local Authority for In Year applications and will therefore not appear in the drop down options of schools.

If you cannot access the internet you can apply by phone by ringing Call Derbyshire on 01629 533190. Internet access is available at all Derbyshire libraries, Children’s Centres and some schools may also let you use their computer and telephone facilities to make an application. You may also complete a paper application form. To obtain a paper form, email admissions.transport@derbyshire.gov.uk or phone the Admissions and Transport Team on 01629 537479 and ask for an in-year application form. Please note applications will only be accepted up to one term in advance.

Alternatively, some schools in Derbyshire will accept approaches direct, but may still require you to complete the council’s application form. Please note schools are required to notify the council of all applications and their outcomes.

If you want to apply for a place at a school in another council area you should contact the council where the school is located in the first instance. Contact details are on page 66 of this guide.

Parents of children with an Education, Health and Care Plan should contact the SEN Section at County Hall email sen.admin@derbyshire.gov.uk

Applications for places in Post 16 provision should be made direct to the establishment. Please note the council does not deal with applications for places at independent schools.

In January 2017, the government introduced a new regulation requiring all Local Authorities to write to parents in their area whose children move into year 10 from September 2017 and inform them about ‘schools in their locality with atypical points of admission’. The schools referred to are typically ‘University Technical Colleges’ UTCs or Studio Schools. UTCs are set up by universities and businesses and specialise in one or two technical subjects. At GCSE they offer a similar curriculum to a typical 11-18 secondary school, including the basics of English and Maths, as well as their specialist subject. Studio Schools are similar to UTCs in that they have employer involvement in the curriculum. There are no UTCs or Studio Schools within Derbyshire. There are however some of these schools in neighbouring authorities and that may be within reasonable traveling distance for some students. The Department for Education has stated that some students may travel up to an hour or even longer to attend a UTC or Studio School. The list below shows all the UTCs or Studio Schools that may be within 1 hour travel distance of at least one Derbyshire secondary school. Please be aware that transport costs to any of these schools would be the parents’ responsibility. For most children, the best option will be to continue into year 10 in their existing school. However, if one of the UTCs or Studio Schools on the list is within reasonable travelling distance from where you live you may wish to consider whether the courses they offer would be appropriate for your child. You could gain more information about what each UTC or Studio School offers by looking at their website. If this is an
option you want to consider in more detail you should discuss it further with your existing school as they have a responsibility to provide some guidance on the careers options to ensure you make a well informed decision on the future of your child. You should be aware that some of these schools may not have places available and you should make any enquiries directly to the individual UTC or Studio School.

How does it work?

The law enables parents of children seeking a school place to express preferences. Parents should be aware that admission authorities cannot necessarily guarantee a place for any child, even where they move into the school's normal area. **In law there is no automatic right to a place in any particular school.**

You are invited to name up to 3 schools in Derbyshire at which you wish your child to be considered for a place. You should think very carefully about your choice of school(s); these should then be listed in priority order (i.e. beginning with your most preferred school). Before making an application it is advisable to contact the school to arrange a visit with the Headteacher. When deciding on your preferences consider carefully how your child will travel to school. You are advised to consider including your child's normal area school as one of your preferences though it does not have to be your first preference.

The Council operates a Fair Access Protocol (available at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions)) to ensure that children without a school place who find themselves in challenging circumstances are admitted to school as quickly as possible.

Transfer at 16+

Young people continuing with education after the age of 16 will attend either school sixth forms, colleges of further education or tertiary colleges. These are not all available in all parts of Derbyshire.

In consultation with parents, secondary schools will arrange for pupils to transfer to either the school sixth form or college appropriate for the area where they live. If parents would like their child to attend a
different school sixth form or college, they should discuss this directly with the school sixth form or college they prefer.

There are no admission limits at schools for those pupils who are progressing from Year 11 to Year 12 at the same school. But there may be admission limits on external pupils entering the school for the first time as a sixth form pupil in certain schools. The community and voluntary controlled schools for which Derbyshire County Council has set an admission number for external pupils joining the sixth form are:

<table>
<thead>
<tr>
<th>School</th>
<th>Number</th>
<th>School</th>
<th>Number</th>
</tr>
</thead>
<tbody>
<tr>
<td>Buxton Community School</td>
<td>6</td>
<td>Highfields School, Matlock</td>
<td>20</td>
</tr>
<tr>
<td>Dronfield Henry Fanshawe</td>
<td>5</td>
<td>Anthony Gell School</td>
<td>30</td>
</tr>
<tr>
<td>Aldercar High School</td>
<td>20</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Some aided, academy and foundation schools also admit external pupils to the sixth form.

Details of each school's requirements to gain entry to their sixth form can be found by contacting the school. For Community and Controlled Schools where there are more children meeting a schools entry requirements than there are places available, the oversubscription criteria will be applied. Any student who is refused admission to a sixth form has a right of appeal to an independent appeal panel.

**Do schools have waiting lists?**

For secondary transfer applications, waiting lists will be maintained by Derbyshire County Council for oversubscribed Derbyshire schools. Waiting lists will be set up on 2 March 2020 and maintained until 31 December 2020. Children’s names will automatically be placed on these lists where it has not been possible to offer a place and they have given this preference a higher priority than the school at which they have been offered a place. A vacancy arises only when the number of offers to a particular school falls below the published admission number (PAN) or, in cases where an admission authority has offered places above the PAN, when offers fall below the revised number. (This excludes places secured through the appeals process). Priority on the waiting list is determined according to the published admission criteria. This means that a child’s position on the list is not fixed and can go up or down the list as vacancies arise and/or further applications are received. The date of application does not affect waiting list order.

Some voluntary aided, foundation and academy schools may maintain waiting lists beyond this date. Please check with the school concerned. Some neighbouring councils have different rules on waiting lists. Please check with them if applicable.

The Council does not maintain waiting lists for in-year admissions for community and controlled schools. Some voluntary aided, academy and foundation schools in Derbyshire and schools in other council areas may maintain waiting lists for in-year admissions and if your application is refused you should contact the school to place your child’s name on the waiting list. If you wish to place your child’s name on the list for a Derbyshire school for the next academic year you will need to make a new application in the term preceding the new academic year to update their application details and confirm your continuing interest. Priority on the waiting list is determined according to the school’s oversubscription criteria.

A list of neighbouring councils is given on page 66.
**Appeals**

When parents are unable to obtain a place for their child at the school they want, they can appeal against the decision to an appeal panel independent of the council and the school. Appeals in the secondary transfer round will normally be heard by 15 June 2020 and for in-year admissions will be held within 30 school days of the appeal being lodged.

You can get more information and make your appeal online at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions) or contact the Admissions and Transport Team on admissions.transport@derbyshire.gov.uk or call them on 01629 537499.

For appeals in respect of places at schools not in Derbyshire, parents are advised to contact the council which maintains the school in the first instance.

A list of neighbouring councils is on page 66.

The decision reached by the independent panel will be binding on the council and the parents. A further application in respect of the same school will not be entertained in the same academic year unless significant and material changes in circumstances arise.

**How will my child get to school?**

**Transport to the normal area school**

We provide assistance with transport for secondary school pupils to the end of statutory school age who do not live within walking distance of their normal area school. This distance is defined in statute as three miles – and it is measured by the shortest available route.

Children’s Services normally determines distance measurements using a computerised Geographical Information Mapping System (GIS) using Ordinance Survey information. Distance measurements for existing users (prior to September 2014) may include routes and distance measurements already held on file by the Authority.

The Raising of the Participation Age (RPA) legislation, requiring young people to participate in education or training until the end of the academic year in which they turn 17 from 2013 (and up to their 18th birthday from 2015), has not created any new entitlement to transport for post 16 learners.

Bus passes or refunds are issued where appropriate and special contract transport is arranged if public transport is not available.

There may be exceptions to the transport rules if we agree that the route to the normal area school is dangerous for a child, accompanied if necessary, to undertake on foot.

Spare places on a contract bus may be provided on a concessionary basis for children who are not normally entitled to free transport; however a charge will be made.

**Transport to faith schools**

The provision of subsidised transport to faith schools ceased in September 2015, and protection was offered to pupils in key years – i.e. those who entered year 6 and 11 in 2015 who were previously entitled by right to assistance. The Authority has not contracted any buses to provide transport to faith schools since July 2016.
Transport to other schools

Parents who send their children to a school which is not their normal area school will not normally receive assistance with transport (children living outside the county attending Derbyshire schools should apply to their home council). However, assistance with transport will be provided when a child attends a school, other than the normal area school, which is beyond the three-limit but is closer to the child’s home than the normal area school.

For more information please refer to our transport policy available on www.derbyshire.gov.uk/get2school

If you are in receipt of benefit

Children aged 11 - 16 who are entitled to free school meals or whose families get the maximum level of working tax credit are entitled to free transport to any one of the three nearest suitable schools where the distance is between two and six miles. Where the school is preferred on grounds of religion or belief, the distance is between 2 and 15 miles and the school is the nearest appropriate school. Evidence to support religious or philosophical belief will be required. Any distance measurements over three miles linked to benefit entitlement are done using road routes.

If parents are no longer eligible, for example because they no longer receive the relevant benefits, parents may have to meet their child’s transport costs.

Transport for pupils with special educational needs and/or disabilities

Transport will be provided for pupils with special educational needs and/or disabilities who attend their nearest school, where the journey exceeds the statutory walking distance as outlined above or in other cases in accordance with the council’s transport policy.

Provision of transport will not generally be made if the preferred school is further away from the child’s home than another school considered appropriate by the council.

All learners with special educational needs transferring to sixth form education for whom transport assistance is provided by the council will be required to make a contribution towards the cost.

For more information please refer to our transport policy available on www.derbyshire.gov.uk/get2school

Please contact the Special Needs Section at County Hall, Matlock, DE4 3AG (Tel: 01629 536531), if you have any queries.

Travel and support for post-16 students

- We have a post-16 transport policy statement which sets out the provision available for mainstream students aged 16-19 and students with special needs and disabilities aged 16-25. Transport assistance provided by the Authority may be subject to a charge. For more information please refer to https://www.derbyshire.gov.uk/education/schools/school-places/secondary-admissions/parents-guide/more-information/16-plus-travel/post-16-travel.aspx

Post-16 students in full-time education continue to be eligible for reduced fare travel passes on buses and trains in Derbyshire including to and from some destinations just outside the county up to their 19th birthday under the council’s concessionary fares scheme operated through the b_line card.

Further b_line information is provided at www.derbyshireyouthinc.com/somewhere_to_go/your_bline_card/ Schools, colleges and libraries hold information and can provide students with an application form.
To ensure that transport and other factors are not a barrier to post-16 education the Government has made arrangements for getting financial help to students who need it most. See details below (under financial assistance for post-16 students).

You can contact the Admissions and Transport Team for further information on transport.

Email: admissions.transport@derbyshire.gov.uk

Telephone: 01629 537479

Enquiries and reviews

Any enquiries about school or college transport should be made to the Admissions and Transport team. If a parent’s request for help with transport is refused and they feel that they may have special family circumstances which warrant help, then they can ask for the decision to be reviewed. The review will give the opportunity for the parent to state the particular reasons they feel their child should receive help with transport.

A copy of the transport policy for children and young people is available at www.derbyshire.gov.uk/education/schools/your_child_at_school/travel

Sustainable modes of travel

As part of our Sustainable Modes of Travel Strategy the Authority is actively supporting all schools in encouraging children and parents to make less use of the car for the journey to and from school and to consider walking, cycling and use of public transport as viable alternatives. School travel plans have now been adopted by all schools in Derbyshire and, through their implementation, the authority will continue to provide this support. For more information visit www.derbyshire.gov.uk/sustainable-schooltravel

Am I entitled to free school meals?

Children whose parents receive the following support payments are entitled to receive free school meals:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Based Jobseeker’s Allowance
- Income Related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guarantee element of State Pension Credit
- Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income (as assessed by HMRC) that as of 6 April 2018 does not exceed £16,190.

Children who receive Income Support or Income Based Jobseeker’s Allowance in their own right are also entitled to receive free school meals.

Contact your child’s school for more details and a form to fill in.

To find out whether you are entitled to claim any benefits call Derbyshire County Council’s welfare benefits helpline on 01629 531535.
Financial assistance for post-16 students

Schools, colleges and training providers have bursary funds to help students facing financial hardship. For advice speak to your tutor at school or college or go to www.direct.gov.uk/16-19bursary

Children with special educational needs

The term ‘special educational needs’ is used when children have a learning difficulty or disability, which makes it harder for them to learn than most children of the same age.

A child with special educational needs may need extra help or different help from other pupils of the same age. Only a few children with special educational needs require a detailed assessment by us. This assessment was formerly called a statutory assessment of special educational needs, however from 1 September 2014 it is now known as an education, health and care needs assessment.

Following an education, health and care needs assessment, the Council may decide to issue an Education, Health and Care Plan which describes your child’s needs and how they should be met. It also gives you the opportunity to express a preference for which school your child should attend.

More information about our provision for special educational needs is available on www.derbyshire.gov.uk

It is Derbyshire’s policy to meet children’s needs, wherever possible, in mainstream schools including those schools with enhanced resource status.

Most children with an Education, Health and Care Plans will be educated in mainstream schools, but places at enhanced resource and special schools are given to some pupils with statements.

For school places for children with a current statement of special educational needs or an Education, Health and Care Plan parents should contact the SEND Central Team Derbyshire County Council on 01629 536531 or 01629 536547.

Placing a child outside their normal age group

The year group with which a child is taught has implications for a child’s social as well as educational development. We believe it is better for children to stay within their peer group. For children whose attainments either fall significantly below or exceed the expected levels at a particular key stage, the Council considers that in almost all cases a child’s individual needs can be met by schools without accelerated or delayed admission to another year group.

Exceptionally a child may be admitted outside of their normal year group. Such a decision will be based on the circumstances of each case and before making a formal request parents are strongly advised in the first instance to discuss the matter with their child’s current headteacher, prospective future headteacher and any other professionals involved. If after discussion, parents then wish to make a formal request they should contact the Admissions and Transport Team for a copy of the Council’s policy on the admission of children outside of their normal age group by emailing admissions.transport@derbyshire.gov.uk or call 01629 537479.

Requests should be accompanied by evidence to show that the child’s admission outside of their normal age group is in the child’s best interests. All relevant factors will be considered when assessing requests against the Council’s policy on the admission of children outside of their normal age group.

Please note that if a request is not agreed then a place may be offered in another year group.
Entries for public examinations

No charges may be made for entering pupils for approved public examinations. The school will have a full list of these examinations, which include GCSEs, A and AS levels, GNVQs and job-related qualifications.

The governing body must enter a pupil for each examination in a public examination syllabus for which the school has prepared the pupil. This does not need to apply if the governing body thinks there are educational reasons for not entering the pupil, or if the pupil’s parents ask in writing that the pupil should not be entered.

Derbyshire County Council may not override the governing body’s decision on whether to enter a particular pupil for an examination.

An examination entry fee may be charged to parents if:-

- the examination is on the set list, but the pupil was not prepared for it at the school
- the examination is not on the set list but the school arranges for the pupil to take it
- a pupil fails without good reason to complete the requirements of any public examination where the governing body originally paid or agreed to pay the entry fee

Charges may not be made for any cost associated with preparing a pupil for an examination but charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set out in regulations.

Each governing body is required to make known to parents details of the school’s charging and remissions policy which will include its policy in relation to public examinations.

Will my child have to wear uniform?

Uniform is decided by each school’s board of governors.

Other financial assistance

The county council has no general scheme of assistance to provide school clothing, clothing grants or any other financial help to parents. In exceptional circumstances, where a child is prevented from attending school, the council’s education welfare service can give advice on what financial help might be available.
School year and holiday dates

The Authority has agreed the following terms and holiday dates for community and controlled schools in Derbyshire. Individual schools will notify parents of staff training days (INSET) when schools will be closed to children each year.

Please note

That aided, academy and foundation schools dates may be different. Parents are advised to contact the relevant school.

Please note that since 2015 schools are able to consider variations to term dates provided they meet statutory requirements. Parents are advised to contact the relevant school for confirmation of term dates.
Secondary schools notes

1. All schools are co-educational (boys and girls) and comprehensive and unless otherwise indicated are community schools.

2. All Catholic schools are voluntary aided schools unless indicated otherwise.

3. The approximate number of pupils refers to numbers as at January 2019.

4. ERS means and enhanced resource school with facilities for children with additional needs.

Please note

1. In respect of community and voluntary controlled schools, Derbyshire County Council is the Admissions Authority and the criteria for admissions are set out on pages 13 to 16 of the guide.

2. In respect of voluntary aided, academy and foundation schools the governing body or trust is the Admissions Authority and a brief summary of oversubscription criteria is provided on pages 37 to 54. Parents are advised to obtain full details direct from the relevant school. Whether specifically mentioned or not, individual pupils who have a Statement of Special Educational Needs or an Education, Health and Care Plan which names the school will be admitted.

3. Details of those secondary schools in neighbouring councils which regularly admit Derbyshire children are provided on pages 55 to 57. Parents are advised to obtain full details direct from the relevant school.

4. The number of applications received for 2019/2020 is shown for each school. School allocation data by criteria is shown on page 36. This information is provided as a guide only for September 2020 admissions. It must be stressed that the position does vary from year to year in terms of numbers in each criterion.

Please note

Please refer to pages 13 to 16 for details of the council’s admission criteria. This data was correct as of 1 March 2019. Similar data on academy, foundation and voluntary aided schools is available from the school concerned.

**NB**

This information is provided as a guide only for September 2020 admissions. It must be stressed that the position does vary from year to year in terms of numbers in each criterion. Because children may have been admitted to a particular school in a criteria in September 2019 does not mean that children in the same category will be admitted in any subsequent years.

- ✔ all preferences received by the closing date under this criterion were met
- S some preferences were met under this criterion

If there is an S in the final column the school concerned was over-subscribed

* Feeder system applies
Summary of admission policies
For voluntary aided, academy and foundation schools

Please note – parents are advised to obtain full details direct from the relevant school.

Belper School and Sixth Form Centre

The qualification of normal area will be applied to the home address as on the closing date for applications.

Subsequent changes of address, when verified, will be made to the list and the placing on that list altered accordingly. This may result in a previous offer of a place being altered.

Any pupil with an EHCP which names the school will be admitted.

Oversubscription criteria
1. ‘Looked After Children’ (including those who have been subsequently adopted and those who are subject to a residence or special guardianship order) who name Belper School and Sixth Form Centre as their choice.
2. All other children who live in the normal area served by the school at the time of application and admission who have siblings attending the school at the time of application and admission
3. Children living in the normal area at the time of application and admission
4. Children not living in the normal area but who have siblings at Belper School & Sixth Form Centre.
5. Other children whose parents/carers have requested a place.

*Siblings in this instance are taken as blood brother or blood sister, half brother or half sister (i.e. having a biological parent in common) and stepbrother or sister (i.e. having a parent by marriage in common) from a family who reside together, married or not.

**If a tie breaker is needed in any of the above categories, allocation of places will be decided on a distance basis. This means that places will be allocated first to children whose home address is nearest to the school using the same method of measurement as used locally by the Local Authority. Distance measurements will be supplied by the Local Authority.

Brookfield Community School, Chesterfield

Oversubscription criteria
Individual students who have a Statement of Special Educational Needs or an Education Health and care Plan which names the school will be admitted.

2. Children living in the normal area served by the school at the time of application and admission. For a definition of living in the normal area, see note (1) below.

3. Children not living in the normal area served by the school but who have brothers or sisters attending the school at the time of application and admission, see note (2) below.

4. Children of staff at the school: where a member of staff has been employed at the school for two or more years at the time at which the application for the admission to the school is made.

5. Other children whose parents have requested a place.
Notes:
(1) ‘Living in the normal area’, is defined as the child having full-time residence in a property which is the child’s only or main residence. Documentary evidence including proof of actual permanent residence at the property concerned may be required.

(2) Siblings are considered to be a brother or sister; a half-brother or half-sister; a legally adopted child regarded as a brother or sister; a step-brother or step-sister residing in the same family unit.

Where, in the case of 2, 3, 4 or 5 above, choices have to be made between children satisfying the same criteria preference will be given to those children living nearest to the school using a straight line route as measured by Derbyshire Council's Geographic Information System (GIS), calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For the school the grid reference is taken from the nearest gate or entrance to the school.

David Nieper Academy

This academy follows the same arrangements as the Council's admissions policy – see pages 13-16 of the guide

Eckington School

Places will be allocated up to the admission number in the following order of priority:-

i) Individual pupils who have a Statement of Special Educational Needs or/and Education, Health and Care Plan which names the school will be admitted.

ii) Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

iii) Children attending the school's main contributory primary schools that is Eckington Junior, Camm's Endowed Primary, Renishaw Primary, Ridgeway Primary, Marsh Lane Primary, Killamarsh Junior, Killamarsh St Giles CE Primary and Immaculate Conception Catholic Primary (those pupils not proceeding to St Mary's Catholic High School in Chesterfield) and who have older brothers or sisters (see Note**) already attending Eckington School at the time of application and admission.

iv) Children attending the school’s main contributory schools (as listed) at the time of application.

v) Children who have brothers or sisters (see Note**) already attending Eckington School at the time of application and admission.

vi) Other children whose parents have requested a place

If choices have to be made between children in categories (iii), (ii), (v) and (vi), children who live nearest to the Academy - measured by the standard straight line - will be given preference.

NOTE**
The term brother or sister includes:-
(a) A half-brother and/or a half-sister
(b) A legally adopted child being regarded as a brother or sister
(c) A step-brother and/or step-sister residing in the same family unit
Frederick Gent School

This academy follows the same arrangements as the Council's admissions policy – see pages 13-16 of the guide.

Friesland School, Sandiacre

The school will initially consider all applications and where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

Children with Statements of Special Educational Need or an EHC plan where it is the wish of the parents and the school has been named by the local education authority administering the statement.

**Category 1**
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or a special guardianship order.

**Category 2**
Children living in the normal area served by the school. A map of this area is available to view. Documentary evidence of permanent residence at the property may be required.

**Category 3**
Where the child has a brother or sister attending the school at the time of admission. The term brother or sister includes:
- a) a half-brother or half-sister
- b) a legally adopted child being regarded as a brother or sister
- c) a stepbrother and/or stepsister residing in the same family unit

**Category 4**
Where there are medical grounds (supported by a Doctor's Certificate) for admitting the child. The medical grounds must make a case that it is imperative that the child in question attends Friesland School rather than any other secondary school.

**Category 5**
Other children who live outside the normal area served by the school.

In the event of over-subscription within any of the above categories, applications will be placed in order using distance from the school, with those living nearer to the school being accorded the higher priority. Distance will be measured by the Local Authority's Geographic Information System, which measures the distance from home to school in a straight line and is calculated to within 2 metres. The measurement is taken from the postal address file, normally the house front door to the nearest gate or entrance to the school.

Granville Academy

Pupils will be admitted at the age of 11 without reference to ability, aptitude or religious faith. Where applications for admissions exceed the number of places available, the following steps will be used by the governors to allocate places:

1. Individual children with a statement of SEN/EHCP naming Granville Academy.
2. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with
accommodation by a local authority in the exercise of their social services functions (see the
definition in section 22(1) of the Children Act 1989).

3. Children living in the normal area served by the school at the time of application and admission
who have brothers or sisters attending the school at the time of application and admission. For
applications for the year of entry received by the closing date, a normal area school will be
determined in relation to the home address at which the pupil is ordinarily resident on that date.

4. Children living in the normal area of the school (at the time of application and admission). Once a
waiting list is formed, a child’s place on that list will be updated in light of any new address. Proof
of residency may be required.

5. Children not living in the normal area but who have a sibling attending Granville Academy at the
time of application and admission. Sibling includes a half-brother or sister, a legally adopted child
who is regarded as a brother or a sister, and living in the same family unit.

6. Children of staff at the Academy in either of both of the following circumstances:
   Where the member of staff has been employed at the school for two or more years at the
time at which the application for admission to the school is made, and/or
   The member of staff is recruited to fill a vacant post for which there is a demonstrable skill
   Shortage

7. All other children not eligible under the above criteria.
   When in the case of 3, 4, 5 or 6 above, choices have to be made between children satisfying the same
criteria, those children living nearest the school will be given preference.
   Governors will use the distance from the centre of the school, as measured by the Local Authority’s
Geographic Information System, in a straight line to the front door of the dwelling house, calculated to
within two metres.
   The Governors will not consider more than one application on behalf of the same child in a single academic
year unless the Chair of Governors considers there is a significant change in the particular
circumstances of that child.
   The Governors may consider taking direct in-year approaches from parents to help reduce delays in
finding a school place once term starts. Prompt communication with the LA will ensure there is no delay in
the application process.

Heanor Gate Science College

Pupils will be admitted at age 11 without reference to ability or aptitude. In the event of
oversubscription, the following criteria will be applied, in the order of priority stated after the admission
of children who have a Statement of Special Educational Needs or an EHC plan which names the
school.

Oversubscription Criteria
1. Children in public care and adopted children who were formerly in care as defined by the School
Admissions Code.

2. Children who are both living in the normal area served by the college and have brother(s) and/or
   sister(s) attending the college at the time of the admission, who have expressed a preference to
   attend the college.

3. Other children living in the normal area served by the college at the time of the admission, who have
   expressed a preference to attend the college, with those living nearest the college, measured as the
   straight line distance from the entrance of the child’s home to entrance of the college’s main
   administrative building, being accorded highest priority.

4. Children living outside the normal area served by the college who have brother(s) and/or sister(s)
   attending the college at the time of admission and who have expressed a preference to attend the
college, with those living nearest the normal area boundary, measured as a straight line from the entrance to the child’s home to the nearest point of the school, being accorded the highest priority.

5. Children living outside the normal area served by the college who have expressed a preference to attend the college, with those living nearest the normal area boundary, measured as the straight line distance from the entrance to the child’s home to the normal area boundary, being accorded the highest priority.

Any late applications will be dealt with following Derbyshire County Council’s guidelines.

The Children’s Services Department has a Geographic Information System (GIS) to measure the straight line distance. It is measured by a standard straight line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the postal address file and will normally be the centre of the school for primary phase schools, or the nearest gate or entrance for secondary schools.

Note
The term brother or sister includes:
(a) a half-brother and/or half-sister
(b) a legally adopted child being regarded as a brother or sister
(c) a step-brother and/or step-sister residing in the same family unit

Details of the normal area boundary can be obtained by contacting the school.

Heritage High School

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

Hope Valley College

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

John Flamsteed Academy

Children with a statement of special educational need or education, health and care plan (EHCP) that names John Flamsteed Community School will be admitted first. Subsequently, where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

1. Children in public care who are ‘looked after’ at the time an application for admission is made or who the local authority can confirm have been looked after but have ceased to be so because they are adopted, or became subject to a residence order, child arrangements order or special guardianship order, immediately following having been looked after.

2. Children who permanently reside within the normal catchment area (as defined on our website) at the time of application and admission to the school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the school in years 7-11.
3. Children who live outside the catchment area at the time of the application and admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the school in years 7-11. who, at the time of admission, will have a sibling attending the school in years 7-11.

John Port Spencer Academy, Etwall

Oversubscription Criteria
All children whose Statement of Special Educational Needs (SEN) or an EHC plan names John Port School must be admitted.

1. Looked after children and children who were looked after but ceased to be because they were adopted (or became subject to a residence order or special guardianship order) will be given top priority in admission criteria, above children who have siblings already in the school and those who reside in the normal area served by the school.

2. Children who are siblings of students already in the school at the time of application and admission who reside within the normal area served by the school. [For admission purposes, a sibling is a child who lives at the same address and who is the brother/sister, half brother/half sister (children who share a common parent), step brother/step sister, where two children are related by marriage. This definition also includes adopted or fostered children living at the same address.]

3. Children living within John Port School’s normal area and do not reside in the normal area of another school.

4. Children living within John Port School’s normal area and reside in the normal area of another school

In the event of oversubscription of candidates meeting any of the requirements for entry into year 7 outlined in (3) and (4) above and a tie-breaker being required to reach a decision, the Governors will use the distance by “safe walkable route” from the bungalow in the school grounds to the dwelling house, as determined by postal address.

For applications received from children within the normal area served by the school, but after all places have been allocated, the Governors will continue to use the criteria described above, i.e. (2) to (4), including the tie-breakers.

5. Children who are siblings of students already in the school at the time of application and admission, but who are not residing within the normal area served by the school.

6. All other children not eligible under the above criteria.

In the event of oversubscription of candidates meeting the requirements for criteria (5) and (6) for entry into year 7 and a tie-breaker being required in order to reach a decision, the Governors will use the nearest distance by a straight line from the bungalow in the school grounds to the dwelling house, as determined by postal address.

The normal area is taken to mean the historic catchment area of the school, which includes the parishes of:

Ash          Hoon
Barton Blount Marston on Dove
Bearswardcote Newton Solney
Boylestone   Osleston & Thurvaston
Burnaston    Radbourne
Church Broughton Repton
Dalbury Lees Rolleston
Egginton     Stretton
Etwall       Sutton on the Hill
and that part of Mickleover to the west of Station Road and north of Etwall Road. The school’s normal area includes the Mickleover Country Park residential development.

N.B. Residence in any of the parishes listed does not guarantee admission to the school, because tie-breaking criteria may have to be applied.

Kirk Hallam Community Academy

This academy has followed the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

Lady Manners School, Bakewell

Oversubscription criteria

After the admission of students with a Statement of Special Educational Needs or an EHC plan, where the school is named in the statement, priority for admission will be given to those children who meet the criteria set out below

1. The school will always give first priority to looked after children and children who were looked after but cease to be because they were adopted (or became subject to a residence order or a special guardianship order).

The school will always give priority to normal area students.

New intake normal area students will be admitted unless the total number seeking admission exceeds the Published Admissions Number in which case, only the Published Admissions Number will be admitted. Priority will be determined as follows:

2. Children with a brother or sister currently attending the school including half and adopted brothers/sisters living in the same family unit (except where the sibling connection is with a student enrolled in school for Years 12 and/or 13 only). The sibling connection needs to apply at the time of application and admission.

3. Children who have medical or social grounds, supported by independent professional evidence which states why their medical or social situation can be met at Lady Manners School more appropriately than elsewhere.

4. Children of staff who have been employed at the school for two or more years at the time at which the application for admission to the school is made.

5. Other children on the basis of proximity of the child’s home to the school with those living nearer being accorded higher priority. Judgements in this category will be made on the basis of information obtained from the Geographic Information System (GIS) in use in the Local Authority.

After admission of all students in the care of the Local Authority (‘Looked After Children’) and in-catchment students, any available places remaining up to the Published Admissions Number will be allocated to out-catchment students according to the criteria and in the order set out in paragraphs 2 to 4 inclusive.

Note: If there are insufficient places to accommodate all the out-catchment students who qualify for admission under any one of categories 2 and 3, the criteria which follow that category will be applied.
in the order set out above to determine which of these applicants should be accepted.

For example: If, after accommodating all in-catchment students, there are six remaining places and eight applicants who would qualify under category 2, the criteria in categories 3 and 4 would be applied in that order to decide which six of the eight applicants should be accepted.

Netherthorpe School, Staveley

Oversubscription Criteria
Where applications for admissions exceed the number of places available the following criteria will be applied, in the order set out below, to decide which children to admit:

1. Children whose Statement of Special Educational Needs or Education, Health and Care plan names the school.

2. Looked after children and children who were looked after but ceased to be because they were adopted or became subject to a residence order or special guardianship order.

3. Children whose home address is within the normal area served by the school at the time of admission. For a definition of living in the normal area, see Note (1) below. Proof of residency will be required by the coordinated scheme. Where a child lives with one parent and partly with another member of the family, the home address will be considered to be the residence where the child spends at least three nights each week, not including weekends.

4. A child not living in the normal area whose sibling is attending the school at the time of application and admission. (Siblings are considered to be a brother or sister; a half-brother or half-sister; a legally adopted child regarded as a brother or sister; a stepbrother or stepsister residing in the same family unit).

5. Children of a member of staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made.

6. All other children not eligible under the above criteria.

The County Council has a Geographic Information System (GIS) to measure the straight line distance It calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the nearest gate or entrance to the school. The school considers the 'normal' catchment area to be the traditional catchment area (Mastin Moor, Woodthorpe, Hartington, Staveley north of Lime Avenue, Lowgates and Poolsbrook).

Ormiston Ilkeston Enterprise Academy

Oversubscription criteria
If OIEA receives more applications than there are available places then children with OIEA named on an education, health care plan (EHC) or equivalent will be automatically admitted to OIEA. If there are still places available, priority for admission will be given to those children who meet the oversubscription criteria set out below:

1. Looked after children and those who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order or special guardianship order. A looked after child is a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (definition used is in Section 22(1) of the Children Act 1989).
2. Children living in the normal area (as defined in 2.1 above) served by OIEA at the time of application and admission (including those living in another local authority area) who have brothers or sisters attending the academy at the time of application and admission.

3. Children not living in the normal area (as defined above in 2.1) served OIEA at the time of application who have siblings attending the academy at the time of the application and admission.

4. Children living in the normal area (as defined above in 2.1) served by OIEA at the time of application and admission (including those living in another local authority area).

5. Other children whose parents have requested a place.

Where choices have to be made between children satisfying the same criteria, those living nearest OIEA (measured using Derbyshire Local Authority’s GIS) will be given preference.

Outwood Academy

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

Queen Elizabeth’s Grammar School, Ashbourne

Oversubscription criteria

Students will be admitted at the age of 11 without reference to ability, aptitude or religious faith according to the criteria for admissions in order of priority which is detailed below:

2. Looked After Children and children who were looked after but ceased to be because they were adopted or became subject to a child arrangements order or special guardianship order.

3. Children whose home address is within the area served by the school at the time of admission (including those living in another LA area). Proof of residency will be required by the coordinated scheme. Where a child lives with one parent and partly with another member of the family, the home address will be considered to be the residence where the child spends at least three nights of the school week each week.

4. Children not living in the normal area of the school but who have brothers or sisters attending the school at their time of admission. The term brother or sister includes:
   a. A half brother or sister.
   b. A legally adopted child being regarded as a brother or sister. c. A step brother or step sister residing in the same family unit.

5. Children of staff employed directly by the school at the time of admission.
   a. Where the member of staff has been employed at the school for two or more years and/or
   b. The member of staff is recruited to fill a vacancy where there is a demonstrable skills shortage.

6. Other children whose parents have requested a place.

Where in the case of 3, 4, 5 or 6 above, choices have to be made between children satisfying the same criteria those children living nearest to the school (measured by standard straight line) will be given preference. The distance will be measured by a standard straight distance calculated from the main gate of the school to the front door of the applicants’ property.
Shirebrook Academy

Oversubscription Criteria
Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of pupils with Statements of Special Educational Needs or an Education, Health, Care plan where Shirebrook Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

1. Children in public care and children who were in care but ceased to be because they became subject to an adoption, residence or special guardianship order.

2. Children living in the normal area served by the school at the time of application and admission (including those living in another local authority area) who have brothers or sisters attending the school at the time of application and admission. The normal area Shirebrook and parts of Pleasley, Houghton, Whaley and Langwith. Confirmation on a specific address can be obtained by either entering a postcode into the interactive facility on the County Council’s website at www.derbyshire.gov.uk/admissions or by viewing a map of the area available in the Academy.

Living in the normal area, is defined as the child having full-time residence in a property which is the child’s only or main residence. Current arrangements are that where an application includes more than one address due to shared parental responsibility, parents and carers are required to submit full details to enable the Authority to determine which address to use for the purpose of admission. This is problematic in circumstances where parents state that the child resides equally at both addresses. In such circumstances, it is proposed to use the address where the child resides for the majority of the week (eg. wakes up between Monday and Friday). Where the Authority is unable to reach a decision based on the information received, the place of residency will be the address used (at the time of admission’s application) for claiming Child Benefit and where appropriate Child Tax Credits. Supporting information will be required.

Documentary evidence, including proof of actual permanent residency at the property concerned may be required. The Academy reserves the right to carry out investigations where it believes the address is not the child’s only or main residence.

The Academy reserves the right to withdraw the offer of a place which has been obtained as a result of misleading or fraudulent information.

3. Children living in the normal area served by the school at the time of application and admission (including those living in another local authority area).

4. Children not living in the normal area of the Academy but who have brothers or sisters attending the school at the time of their admission. The term brother or sister includes:

- a half-brother and/or half sister
- a legally adopted child being regarded as a brother or sister
- a step-brother and/or step-sister residing in the same family unit

5. Other children whose parents have requested a place.

Where in the case of 2, 3, 4 and 5 above choices have to be made between children satisfying the same criteria, those living nearest to the school (measured by straight line) will be given preference.

Derbyshire LA has a Geographic Information System (GIS) to measure the straight line, calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the nearest gate or entrance to the school.

Saint John Houghton Catholic Voluntary Academy, Ilkeston
Oversubscription Criteria

Children with a Statement of Special Educational Needs or an EHC plan which names the academy will be admitted. This will reduce the number of places available.

In each category those with brothers or sisters at Saint John Houghton Catholic School at the time of the proposed admission will be given priority.

1. Catholic children who are ‘looked after’ or who were ‘previously looked after’ (see Notes 2 and 3).
2. Catholic children (see Note 3).
3. Other children who are ‘looked after’ or who were ‘previously looked after’ (see Note 2)
4. Catechumens, Candidates and members of Eastern Christian Churches (see Notes 4, 5 and 6)
5. Children of other Christian denominations whose membership is evidenced by a minister of religion (see Note 7).
6. Children of other faiths whose membership is evidenced by a religious leader (see Note 8).
7. Any other children

First priority within the criteria will be given to applications from children who attend one of the partner primary schools.
Second priority within the criteria will be given to applications from children who will have siblings (see Note 9) attending the school at the proposed time of admission.

In the event of oversubscription within any criterion allocation of places will be decided on distance measurements supplied by the Local Authority. (See below)

Distance Measurement - Within each criterion applications will be ranked on distance with priority given to children who live nearest to the school. Measurements will be taken in a straight line from the entrance to the child’s home to the principal entrance to the main administrative building of the school. This will be calculated by Derbyshire County Council’s computerised distance measuring software. In the event of needing to discriminate between pupils living in the same block of flats, where the same distance measurement is produced, the lowest numbered flat(s) will be treated as closest to the academy.

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications, then the governors will admit the additional children above the planned admission number.

Notes (these form part of the oversubscription criteria)
1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A “looked after child” is a child who is:
   (a) in the care of a Local Authority, or
   (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.
A “previously looked after child” is a child who:
   (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children’s Act 2002 [see s.46 adoption orders] , or
   (b) became subject to a child arrangements order (under the terms of the Children Act 1989 s.8, as amended by s.12 of the Children and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or
   (c) became subject to a special guardianship order (see S.14A of the Children Act 1989 - an order appointing one or more individuals to be a child’s special guardian [or special guardians]).
3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a
looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.

5. ‘Candidate’ means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.

6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. ‘Children of other Christian denominations’ means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.

8. ‘Children of other faiths’ means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.

9. ‘Siblings’ means a child who lives as a brother or sister in the same house, including natural brothers or sisters with either one or both parents in common, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit at the same address as that sibling.

10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. Home Address: The governors of each school use the same definition as used by the Local Authority within which the school is located.

St Mary’s Catholic High School, Chesterfield

**Oversubscription Criteria**

Should the planned admission limit be reached mid category, the Governing Body, as the admissions authority, will make a decision based on the GIS (Geographical Information System) used by the Derbyshire Local Authority to measure the distance. It is measured by straight line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is again from the postal address file and will be the centre of the school, the distance will be measured by the local authority and that data will be supplied to the governors. This “tie breaker” will apply for every category after category two.

Please note that children who have a Statement of Special Educational Needs or an Education Health and Care Plan where the school is named as the appropriate school are required to be admitted.

**Oversubscription Criteria**

**Our Parishes**

Our Lady Queen of Peace Chesterfield
Immaculate Conception Spinkhill
St Michael’s Hathersage
Christ the King Alfreton
St Joseph’s Shirebrook
St Joseph’s Matlock
All Saints Hassop
Our Lady of Sorrows Bamford
Family of Primary Schools
Christ the King Alfreton
At any time where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Looked after and previously looked after children (see note 2).
2. Catholic children who live in one of our Parishes or attend one of our family of primary schools (see notes 3 and 4 below and the two lists at the top of this page).
3. All other Catholic children (see note 3).
4. Catechumens and members of an Eastern Christian Church (see notes 5 and 6).
5. Children who have brothers and sisters who, at the point of application and admission, attend St Mary's Catholic High School (see note 9).
6. Children of other Christian denominations and children of other faiths whose membership is evidenced by a minister of religion or other religious leader who have attended one of our family of primary schools (see notes 7 and 8).
7. All other children of other Christian denominations and children of other faiths whose membership is evidenced by a minister of religion or other religious leader (see notes 7 and 8).
8. Any other children who have attended one of our family of primary schools.
9. Any other children not in any of the above categories.

Notes (these notes form part of the oversubscription criteria)
1. A Statement of Special Education Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014. Specifying the special educational provision required for a child.
2. A ‘looked after child’ has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.
A ‘previously looked after child’ is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order.
3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.
For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.
4. For the purposes of this admission policy, attendance at a feeder primary school includes Catholic children who were prevented from attending a feeder school due to oversubscription of Catholics and whose application to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.
5. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
7. “Children of other Christian denominations” means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and
with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÜN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. “Children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. ‘Brother or sister’ includes:
   (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
   (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. A child’s ‘home address’ refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (CAF). Where parents have the shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

St Philip Howard Catholic Voluntary Academy, Glossop

Oversubscription Criteria
For the purpose of these criteria our four partner primary schools are:
St. Charles, St. Mary’s, All Saints, St. Margaret’s

Pupils with statements of special needs or an EHC plan whose statement names the school will be admitted.

1. Catholic pupils who are looked after or previously looked after.

2. Catholic pupils.

3. Other children who are ‘looked after’ or who were ‘previously looked after’.

5. Children of Christian denominations whose membership is evidenced by a minister of religion.

6. Children of other faiths whose membership is evidenced by a religious leader.

7. Any other children

First priority within the criteria will be given to applications from children who attend one of the partner primary schools.
Second priority within the criteria will be given to applications from children who will have siblings attending the school at the proposed time of admission.

Within each criterion applications will be ranked on distance with priority given to children who live nearest to the school. Measurements will be taken in a straight line from the entrance to the child’s home to the principal entrance to the main administrative building of the school. This will be calculated by Derbyshire County Council’s computerised distance measuring software. In the event of needing to discriminate between pupils living in the same block of flats, where the same distance measurement is produced, the lowest numbered flat(s) will be treated as closest to the academy.

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admission number.

Notes (these form part of the oversubscription criteria)

1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A “looked after child” is a child who is:
   (a) in the care of a Local Authority, or
   (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.

   A “previously looked after child” is a child who:
   (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children’s Act 2002 [see s.46 adoption orders], or
   (b) became subject to a child arrangements order (under the terms of the Children Act 1989 s.8, as amended by s.12 of the Children and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or
   (c) became subject to a special guardianship order (see S.14A of the Children Act 1989 - an order appointing one or more individuals to be a child’s special guardian [or special guardians]).

3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a looked after child in the process of adoption by a Catholic family).

   For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.

5. ‘Candidate’ means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.

6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. ‘Children of other Christian denominations’ means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.

8. ‘Children of other faiths’ means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.

9. ‘Siblings’ means a child who lives as a brother or sister in the same house, including natural
brothers or sisters with either one or both parents in common, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit as the same address as that sibling.  
10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.  
11. Home Address: The governors of each school use the same definition as used by the Local Authority within which the school is located.

St Thomas More Catholic School, Buxton

Oversubscription criteria
Pupils with statements of special needs or an EHC plan whose statement names the school will be admitted. This will reduce the number of places available.

1. Catholic looked after and previously looked after children.
2. Catholic children (see Note 3).
3. Other children who are ‘looked after’ or who were ‘previously looked after’ (see Note 2)
4. Catechumens, Candidates and members of Eastern Christian Churches (see Notes 4, 5 and 6)
5. Children of other Christian denominations whose membership is evidenced by a minister of religion (see Note 7).
6. Children of other faiths whose membership is evidenced by a religious leader (see Note 8).
7. Any other children

First priority within each criteria will be given to applications from children who attend one of the partner primary schools.  
Second priority within each criteria will be given to applications from children who will have siblings (see Note 9) attending the school at the proposed time of admission.

In the event of oversubscription within any criterion allocation of places will be decided on distance measurements supplied by the Local Authority.

Notes (these form part of the oversubscription criteria)
1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.  
2. A “looked after child” is a child who is:
   (a) in the care of a Local Authority, or
   (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.
A “previously looked after child” is a child who:
   (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children’s Act 2002 [see s.46 adoption orders], or
   (b) became subject to a child arrangements order (under the terms of the Children Act 1989 s.8, as amended by s.12 of the Children and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or
   (c) became subject to a special guardianship order (see S.14A of the Children Act 1989 - an order appointing one or more individuals to be a child’s special guardian [or special guardians]).
3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a looked after child in the process of adoption by a Catholic family).
For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.

5. ‘Candidate’ means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.

6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. ‘Children of other Christian denominations’ means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.

8. ‘Children of other faiths’ means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.

9. ‘Siblings’ means a child who lives as a brother or sister in the same house, including natural brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. [It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit at the same address as that sibling.]

10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. Home Address: The governors use the same definition as used by the Local Authority within which the school is located.

Swanwick Hall Academy

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

The Bolsover School

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.

The Ecclesbourne School, Duffield

Oversubscription Criteria
When the school is oversubscribed, after the admission of pupils with Statements of Special Educational Needs where the school is named in the statement, priority for admission will be given to those children who meet the criteria set out below, in order:

1. Children in public care as defined below(i).

2. Children who have a sibling(ii) at The Ecclesbourne School at the time of application and admission and who live in the normal area(iii) served by the School at the time of application and admission.

3. Children living in the normal area(iii) served by the School at the time of application and admission.

4. Children who have a sibling(ii) at The Ecclesbourne School at the time of application and admission and who do not live in the normal area(iii) served by the School.
5. Children of members of staff with a minimum of two years’ service at the school at the time of application.

6. All other children not eligible under the above criteria.

Notes:
(i) Children in public care are defined as children who are currently looked after, or were looked after but ceased to be so because they were adopted [or became subject to a residence order or special guardianship order].

(ii) Siblings are considered to be a brother or sister; a half-brother or half-sister; a legally adopted child regarded as a brother or sister; a step-brother or step-sister residing in the same family unit.

(iii) 'Living in the normal area', is defined as the child having full-time residence in a property which is the child’s only or main residence. Documentary evidence including proof of actual permanent residence at the property concerned may be required.

In the event of over-subscription of candidates meeting the requirement in (2) and (3) above and a tie-breaker being required to reach a decision, the governors will use the distance from the centre of the school, as measured by the Local Authority’s Geographic Information System, in a straight line to the front door of the dwelling house, calculated to within two metres.

In the event of over-subscription of candidates meeting any of the requirements (4)-(6) above and a tie-breaker being required in order to reach a decision, the governors will use distance from the normal area boundary to the dwelling house as the crow flies.

The Long Eaton School

Oversubscription Criteria
Children with Statements of Special Educational Needs naming the school will be admitted. The school’s response to Statements of Special Educational Needs or an EHC plan which name the School’s Enhanced Resource for students with ASD will be made in accordance with the published criteria.

Subject to the school having the physical capacity to admit additional students, the admission criteria to be used in determining preferences in the event of oversubscription are applied in order as follows:

1. Looked After Children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

2. Children living in the normal area served by the school (a map of this area is available to view at school by prior arrangement with the school office).

3. Children who live outside the normal area but who, at the time of admission will have a brother or sister attending the school. Preference will first be given to applicants who live nearest to the school.

4. Thereafter consideration will be given to other applicants who live outside the normal area. Preference will first be given to applicants who live nearest to the school.

General
i) “Living in the normal area” is defined as the child having full-time residence in a property which is the child’s only or main residence. Documentary evidence including proof of actual permanent residency at the property may be required. Please note that where the school has reasonable grounds for believing that the home address is not the child’s only or main residence it reserves the right to carry out investigations which may include visits to the property.
ii) The County Council has a Geographical Information System (GIS) to measure the straight line to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the nearest gate or entrance to the school.

iii) In the event that applicants’ registered addresses are within the same block of flats or apartments the main front door to the block will be used in point ii) with priority then determined on a floor by floor basis, with addresses on lower floors taking priority. The allocation of a final place or places to any pupils living on the same floor will be decided by random allocation.

iv) When considering allocation of places The Governing Body will only consider applicants’ current permanent place of residence and disregard any intention to move to another address.

v) Where a child lives at different addresses as a result of parents enjoying shared responsibility then the address at which the child wakes up the most during the school week (Sunday night to Thursday night inclusive) will be used for the purpose of determining an application for admission to the school.

vi) Criterion 3 includes: step brother/sister; adopted brother or sister; an existing student living at the same address where one or more of the parents is common to the applicant.

vii) Under criterion 3 the brother or sister must still be on roll at the school within Years 7 to 13 at the point the applicant takes up his/her place.

The Pingle Academy, Swadlincote

The area served by the school includes part of Swadlincote and the villages of Church Gresley, Castle Gresley and Linton. To find your normal area secondary school go to www.derbyshire.gov.uk/admissions and enter your postcode. A map is available on The Pingle School website www.pingle.derbyshire.sch.uk

Oversubscription Criteria
Where application for admission exceeds the number of places available the criteria used by the governors to allocate places are listed as follows in priority order:

1) Individual children with an EHC plan of SEND naming The Pingle Academy.
2) Children in public care (looked after children) and adopted children who were previously in care, or became subject to a child arrangement order or special guardianship order.
3) Children living in the normal area served by the Academy at the time of application and admission who have a brother or sister attending The Pingle Academy at the time of application and admission. Brother or sister includes a half-brother or half-sister, a legally adopted child who is regarded as a brother or a sister, a step-brother or step-sister who resides in the same family unit.
4) Children living in the normal area served by the Academy at the time of application and admission. (This is defined as the child having settled full-time residence in a property which is the child’s only or main residence).
5) Children not living in the normal area served by the Academy, but who have brothers or sisters attending the Academy at the time of application and admission.
6) Children of staff employed at The Pingle Academy for two or more years, or who meet a skills shortage.
7) Other children whose parents have requested a place.

In the event of over-subscription of candidates meeting the requirement in any of the categories above and a tie-breaker being required to reach a decision, the Governors will use the distance from the centre of the school, as measured by the Local Authority’s Geographic Information System, in a straight line to the front door of the dwelling house, calculated to within two metres.
* Computer Aided Measurement (GIS)
The GIS system measures by the straight line calculated to within 2 metres. The measurement is taken from the postal address file, normally the house front door. For the school, the grid reference is again taken from the postal address file and is the centre of the school.

The Ripley Academy

Children who have a Statement of Special Educational Needs or an Education Health Care Plan which names the school will be admitted before the oversubscription criteria are applied.

Oversubscription Criteria
Where application for admission exceeds the number of places available, the criteria used by the Governors are listed as follows in priority order to allocate the available places:

1. Children in public care who are ‘looked after’ at the time an application for admission is made or who the local authority can confirm has been looked after but has ceased to be so because they are adopted, or became subject to a residence order, child arrangements order or special guardianship order, immediately following having been looked after.

2. Children who are residing within the normal areas of Ripley Junior School, Waingroves Primary School, St John’s C of E Primary School and Codnor Primary School at the time of application and admission.

3. Children who are siblings of students already in the school at the time of admission where the sibling is attending years 7-11.

The School will not allocate places on the basis that a sibling or other relative is a former pupil, including siblings who were on roll at the time of application but will have left by the time the child starts school.

[For admission purposes, a sibling is a child who lives at the same address and who is the brother/sister, half brother/half sister (children who share a common parent/carer), step brother/step sister, where two children are related by marriage. This definition also includes adopted or fostered children (not included in (1) above) living at the same address.]

4. Children attending Ripley Junior School, Waingroves Primary School, St John’s C of E School or Codnor Primary School, but not living in the normal areas served by those schools.

5. All other children who do not qualify for any of the above criteria with priority given to those who live nearest to the school.

Distance is measured in a straight line from home to school as plotted on Children’s Services GIS.

Wilsthorpe School

This academy follows the same arrangements as the Council’s admissions policy – see pages 13-16 of the guide.
## Schools in neighbouring council areas

A brief summary of oversubscription criteria is included in the section ‘Outline of admission policies for schools in neighbouring council areas.’ Please note – parents are advised to obtain full details direct from the relevant school or the relevant local authority.

Outline of admission policies
for schools in neighbouring council areas

Parents are advised to obtain full details direct from the relevant school.

Chellaston Academy, Derby

Oversubscription Criteria
1. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

2. Children permanently residing in the normal catchment area** at the time of admission.

3. Children who have brothers or sisters* in years 7-11 attending the Academy at the time of their admission.

4. Other children whose parents have requested a place.

5. Children whose parents did not submit a request for a place by the common closing date.

Notes:
* For the purpose of admissions, a brother or sister is classed as:
  - A brother or sister sharing the same parents.
  - A half brother or sister, where two children share one common parent.
  - A step-brother or step-sister, where two children are related by a parent’s marriage.
  - An adopted or fostered child.

A brother or sister must normally be living at the same address. Cousins are not classed as brothers or sisters.

** The normal area includes the suburban area of Chellaston, the villages of Aston-on-Trent, Barrow-on-Trent, Melbourne, Stanton-by-Bridge, Swarkestone, Ticknall and Weston-on-Trent. The area is delineated on a plan which is available for inspection in the school office by prior appointment.

The new developments currently known as Chellaston Fields and Fellows Lands Way will be excluded from our normal area.

Da Vinci Community College, Derby (Trust)

Derby Moor Community Sports College Trust (Foundation)

Landau Forte Academy Moorhead

Littleover Community School

These schools follow Derby City Council's admissions policy. The oversubscription criteria are as follows:-
1. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

2. Children who are both living in the catchment area served by the school and have brothers or sisters of compulsory school age still attending the school at the time of their admission.

3. Other children living in the catchment area at the time of admission.

4. Children who do not live in the catchment area served by the school but who have brothers or sisters of compulsory school age still attending the school at the time of their admission.

5. In the case of voluntary controlled church schools, children whose parents request a place on religious grounds as stated on their application form.

6. Other children whose parents have requested a place.

7. Children whose parents did not request a place by the closing date.

In categories 2 to 6, when choices have to be made between children satisfying the same criteria, children living nearest to the school, measured by a straight line, have priority. The line will be measured from the centre of the home address to the school using national Ordnance Survey set points. The ‘home address’ is the address of the primary carer of the child as shown by who receives the Child Benefit. In category 7, places will be allocated in the same order of priority as for categories 2 to 6. Where children in category 7 have equal priority, places will be allocated to those living nearest to the school, measured by a straight line as outlined above. First priority outside the normal admission round within categories 2 to 6 will be to pupils who have not been on a city school roll during the academic year of application.

Noel Baker School
(Academy)

Oversubscription Criteria
1. Looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

2. Children living in the catchment area, (as defined by the published area map) at the time of admission, including those living in another LA’s area, who have brothers or sisters attending the school at the time of admission.

3. Other children living in the normal area at the time of admission.

4. Children who do not live in the normal area served by the school, but who have brothers or sisters attending the school at the time of admission.

5. Other children whose parents have requested a place.

6. Children whose parents did not request a place before the Derby City deadline date.

In categories 1-6, when choices have to be made between children satisfying the same criteria, places will be offered to children living nearest to the school, measured by a straight line. The line will be measured from the centre of the home address to the school using the National Ordnance Survey set points.

In category 6, places will be allocated in the same order of priority as for categories 1-5.
Saint Benedict
A Catholic Voluntary Academy

**Oversubscription Criteria**

Pupils with an Educational Health and Care Plan (EHCP) and/or statements of Educational needs which names the school will be admitted.

1. Catholic children who are ‘looked after’ or who were ‘previously looked after’ (see Notes 2 and 3).
2. Catholic children (see Note 3).
3. Other children who are ‘looked after’ or who were ‘previously looked after’ (see Note 2)
4. Catechumens, Candidates and members of Eastern Christian Churches (see Notes 4, 5 and 6)
5. Children of other Christian denominations whose membership is evidenced by a minister of religion (see Note 7).
6. Children of other faiths whose membership is evidenced by a religious leader (see Note 8).
7. Children with aptitude in drama, music or dance (see Note 12).
8. Any other children

First priority within each criteria will be given to applications from children who attend one of the partner primary schools.
Second priority within each criteria will be given to applications from children who will have siblings (see Note 9) attending the school at the proposed time of admission.

In the event of oversubscription within any criterion allocation of places will be decided on distance measurement (See below).

**Distance measurement**
Distance measurements will be taken in a straight line from the entrance to the child’s home (as defined by the Local Authority) to the principal entrance to the main administrative building of the Academy. This will be calculated by using the Academy’s computerised distance measuring software. In the event of needing to discriminate between pupils living in the same block of flats, where the computerised software produces the same distance measurement, the lowest numbered flat(s) will be treated as closest to the Academy.

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (e.g. children who live at the same address or have the same distance measurement). In this exceptional situation the governors will admit the additional child above the Planned Admission Number.

**Supplementary Form**
Catholic parents are asked to provide a baptism certificate or other proof of baptism with their application. All other parents with children who are members of Christian denomination belonging to Churches together, must provide proof of baptism and/or a clergy statement of their commitment, to aid directors in placing their child in the correct category.

**Application for twins and multiple birth children:** In cases where there is one remaining place available and the next child on the waiting list is one of a twin or of other multiple birth groups, then both twins (or all the siblings in case of multiple births): will be admitted even if this means that the admissions number will be exceeded.

**Documentation**
The common application form provided by the Local Authority asking for your preferences, must be completed and should be returned to your child’s primary school or the Local Authority. Saint Benedict governors also require a supplementary Admission Information form to be completed and returned to the Admissions Officer at the academy. Derby City applicants should receive this form, from the local authority with the common application form. Applicants from other local authorities should request a copy of the form from the Admissions Officer at the academy. Forms will be made available at the six catholic partner primary schools. Without this form the school governors’ admission panel are unable to apply their admission policy and place the applicant in the relevant criterion. If the governing body has made an allocation of a place on the basis of fraudulent or intentionally misleading information, that place will be withdrawn.

Notes (these form part of the oversubscription criteria)

1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A “looked after child” is a child who is:
   (a) in the care of a Local Authority, or
   (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.
A “previously looked after child” is a child who:
   (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children's Act 2002 [see s.46 adoption orders], or
   (b) became subject to a child arrangements order (under the terms of the Children Act 1989 s.8, as amended by s.12 of the Children and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or
   (c) became subject to a special guardianship order (see S.14A of the Children Act 1989 - an order appointing one or more individuals to be a child's special guardian [or special guardians]).

3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.

5. ‘Candidate’ means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.

6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. ‘Children of other Christian denominations’ means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate , a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.
8. ‘Children of other faiths’ means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.

9. ‘Siblings’ means a child who lives as a brother or sister in the same house, including natural brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. [It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit as the same address as that sibling.]

10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. Home Address: The governors use the same definition as used by the Local Authority within which the school is located.

12. Judgment on aptitude will be made from any evidence provided by the parents, and from the pupil taking part in workshops in Performing Arts set by the Academy, designed to establish aptitude. This will lead to a rank order. There will be a maximum of 24 places available under this criterion depending on how many places are available after the other criteria have been applied. The assessor will have skills in the Performing Arts, and will have no family connection with any applicant. The assessors’ judgement on aptitude is on the day, and is final.

**Churches Together**
See [www.churches-together.org.uk](http://www.churches-together.org.uk) for further details on membership.

**City of Derby Academy**

**Oversubscription Criteria**

1. A looked after child or a child who was looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

2. Children who are both living in the catchment area served by the Academy who have siblings on roll at the Academy at the time of the application.

3. Other children living in the catchment area at the time of admission.

4. Children who do not live in the catchment area served by the Academy but who have siblings on roll at the Academy at the time of the application.

5. Other children whose parents have requested a place.

6. Children whose parents did not request a place by 31 October. If choices have to be made between children who meet all the criteria mentioned in 1 to 5, the children who live nearest to the Academy as defined by straight line distance from the Academy using the national ordnance survey points.

**West Park School – A Specialist Mathematics and Computing Academy, Derby (Academy)**

After the admission of children with a statement or EHC plan which names the school priority will be given to:
**Oversubscription Criteria**

1. Children who are 'looked after' or a child who was looked after and immediately after being looked after became subject to an adoption, residence or special guardianship order.

2. Those children residing in the normal area served by the school who have applied by the closing date.

3. Those with a sibling currently attending the school or the sibling attended the school within the last five years at the time of admission.

4. Children of all staff employed by the school where the member of staff has been employed at the school for two years or more at the time at which the application for admission to the school is made or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. When Governors consider there are medical grounds for admitting the pupil supported by a doctor’s certificate.

6. Other children whose parents have requested a place.

7. Children whose parents did not request a place by the closing date.

---

**Allestree Woodlands School, Derby (Academy)**

After the admission of children with a statement which names the school priority will be given to:

**Oversubscription Criteria**

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

2. Children who are both living in the normal area served by the school and have brothers or sisters still attending the school at the time of their admission. Brothers and sisters are classed as having one or both natural parents in common, are related by a parent’s marriage or are adopted or fostered. Brothers and sisters must be living at the same address.

3. Other children living in the normal area at the time of admission.

4. Children who do not live in the normal area served by the school but who have brothers or sisters attending the school at the time of their admission. Brothers and sisters are classed as having one or both natural parents in common, are related by a parent’s marriage or are adopted or fostered. Brothers and sisters must be living at the same address.

5. A child with a parent/carer who are employed at Allestree Woodlands School.

6. Other children whose parents have stated Allestree Woodlands School as a preference on the common application form.

7. Children whose parents stated Allestree Woodlands School as a preference on the common application form but did not return the form to Derby City Education Authority by the closing date.
All Saints Catholic Voluntary Academy, Mansfield

Oversubscription Criteria

Where schools have more applications than places available, Governors will draw up a ranked list based on the criteria listed below and will allocate places accordingly.

Pupils with an Educational Health and Care Plan (EHCP) which names the school will be admitted. This will reduce the number of places available.

1. Catholic children who are ‘looked after’ or who were ‘previously looked after’
2. Catholic children
3. Other children who are ‘looked after’ or who were ‘previously looked after’
4. Catechumens, Candidates and members of Eastern Christian Churches
5. Children of other Christian denominations whose membership is evidenced by a minister of religion.
6. Children of other faiths whose membership is evidenced by a religious leader).
7. Any other children

First priority within the criteria will be given to applications from children who attend one of the partner primary schools. Second priority within the criteria will be given to applications from children who will have siblings attending the school at the proposed time of admission.

If a tie breaker is needed in any of the above categories, allocation of places will be decided on a distance basis. Distance measurements will be supplied by the Local Authority.

Distance Tie Breaker

Distance measurements will be taken in a straight line from the entrance to the child’s home (as defined by the Local Authority) to the principal entrance to the main administrative building of the Academy. This will be calculated by using the County Council's computerised distance measuring software. In the event of needing to discriminate between pupils living in the same block of flats, where the County Council's computerised distance measuring software produces the same distance measurement, the lowest numbered flat(s) will be treated as closest to the academy.

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (e.g. children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admission number.

George Spencer Academy, Stapleford

1. Children who are ‘looked after’ at the time an application for admission is made or were previously looked after but have ceased to be so because they are adopted, or became subject to a residence order or special guardianship order, immediately following having been looked after.

2. Children who attend the George Spencer Family of Schools: Fairfield Primary Academy Stapleford, Chetwynd Primary Academy or Bispham Drive Schools in Toton, who were on the roll of one of these schools at the closing date for applications.

3. Children not attending the George Spencer Family of Schools who, at the time of admission, have a sibling attending George Spencer Academy in Years 7-11.

4. Children who attend schools within the Spencer Academy Trust other than the Family of Schools under criterion 2: Glenbrook Primary School, Portland School, Sunnyside Spencer Academy and Wyndham Primary Academy who were on the roll of one of these schools at the closing date for applications.

5. Children eligible for Service premium

6. All other applicants.
In the event of oversubscription within any criterion, places will be allocated to the student living closest to the school. Distance is measured ‘as the crow flies’ from the centre of the school footbridge to the child’s permanent home address, using Nottinghamshire County Council’s distance measuring software.

Tie Breaker
In the exceptional circumstance where students have the same distance measurement and there is no other way of separating the applications then the governors will admit the additional child above the planned admission number. Proof of residence may be required.

Selston High School, Selston
Selston High School is subject to Nottinghamshire County Council’s admissions policy. For further details, please contact Nottinghamshire County Council on 08449 808080 or go to www.nottinghamshire.gov.uk
