**Site suitable?** Potentially

**Site available?** Yes

**Site achievable?** Yes

**Deliverable dwellings:****Developable dwellings:****Summary**

The site is a green field site that is currently used for agricultural purposes which is located on Chellaston Lane, Aston on Trent. There is access onto Chellaston Lane. We have suggested a site capacity of 33 dwellings. There is no developer interest on the site currently.

The site is considered to be potentially suitable as it is currently restricted by local planning policy as the site is in an area protected by countryside policy.

The site is considered available as the existing use would not need to be relocated. The site is in single ownership.

The site is considered achievable as it is a green field site and there is a reasonable prospect that the site will be financially viable and is available for residential development in the future.
