**Summary**

The site is a green field site currently used as grazing land with animal pens and stables which is to the west of Barrow on Trent. The site has potential access onto Twyford Road and Swarkestone Road. We have estimated a site capacity of 0 dwellings. There is medium developer interest on the site.

The site is considered to be not suitable as it is located wholly within Flood Zone 3b. The site is also restricted by local planning policy as it is in an area protected by countryside policy.

The site is considered available as the existing use would not need to be relocated and the site is in one ownership.

The site is considered achievable as there is a reasonable prospect that the site will be financially viable for residential development in the future.
