**Summary**

The site is a brownfield site currently in use as offices and industrial storage buildings, located to the north of Barrow on Trent. The site has access onto Sinfin Lane. The site capacity has been estimated at 30 dwellings. There is no developer interest in the site at present.

The site is considered to be potentially suitable as it is located in an area currently protected by the adopted (1998) Local Plan's Countryside policy.

The site is considered available as the existing use would not need to be relocated and the site is not subject to ownership constraints.

The site is considered achievable as there is a reasonable prospect that development of the site would be financially viable in the future.
