Summary

The site is a predominantly green field site that is currently used for agriculture and grazing. It is located to the north of Hilton and has potential access onto Derby Road. The capacity of the site has been estimated at 42 dwellings. There is a high level of developer interest in the site.

The site is considered to be potentially suitable as it is currently restricted by local planning policy, being in an area protected by Countryside policy.

The site is considered to be available as the existing use would not need to be relocated.

The site is considered to be achievable as it is a green field site and there is a reasonable prospect that the site will be financially viable for residential development in the future.
