| <b>Policy constaints:</b><br>The site has been considered against Local, Regional and National planning policy and it has been assessed that the site is constrained by: - Countryside policy (EV1) in the South Derbyshire Local Plan 1998. The site is also covered sporadically by Tree Preservation Order (TPO) 175. |         |   |                    |                              |
| <b>Physical constraints (i.e. topography):</b><br>The site has been assessed and it is considered that the site is not physically constrained.   |         |   |                    |                              |
| <b>Environmental constraints including flood risk:</b><br>The site has been assessed and it is considered that the site is not environmentally constrained. This assessment included consideration of flood risk.  |         |   |                    |                              |
| <b>Access constraints:</b><br>This site has been assessed and it is considered that the access to the site is not constrained.   |         |   |                    |                              |

**Ownership constraints:**

From the information available to us it is considered that the site is currently in one ownership.

**Other:**

The site has been assessed and it is considered that there are no further constraints.

**SITE VIABILITY****Are the constraints able to be overcome?**

Following the assessment of the site, it is considered that all of the constraints are able to be overcome in the future.

**Economic viability issues:**

The site has been assessed and it is considered that residential development on this site would be economically viable.

**DWELLING DELIVERY AND SITE CAPACITY**

| Dwelling delivery timescales<br>(number of dwellings per year<br>block): | 1-5 | 6-10 | 11-15 | 16+ | CAPACITY |
|--|-----|------|-------|-----|----------|
|  | 0   | 0    | 0     | 0   | 17       |

**Site suitable?** Potentially

**Site available?** Yes

**Site achievable?** Yes

**Deliverable dwellings:** 0

**Developable dwellings:** 0

**Summary**

The site is a green field site, which is located to the north of Rosliston and has potential access onto Burton Road and Rosliston Road. We have estimated a capacity of 17 dwellings on this site. There is high developer interest on the site.

The site is considered to be potentially suitable as it is currently restricted by local planning policy as the site is in an area protected by countryside policy. The impact of the Tree Preservation Orders would require further assessment.

The site is considered available as the existing use would not need to be relocated and the site is in one ownership.

The site is considered achievable as it is a green field site and there is a reasonable prospect that the site will be financially viable for residential development in the future.
