The site is a green field site that is currently a vacant site on the west of Weston on Trent. The site has potential access onto Swarkestone Road and is relatively flat. We have estimated a site capacity of 11 dwellings. There is medium developer interest on the site.

The site is considered to be potentially suitable as it is currently restricted by local planning policy as the whole site is in an area protected by countryside policy.

The site is considered available as the site is in one ownership.

The site is considered achievable as there is a reasonable prospect that the site will be financially viable for residential development in the future.
