<p>Spaghetti Measurer (code 15158)</p> 		<p>A penny, a fizzy drink lid, a milk carton lid, pens and an old box</p> <p><i>A portion for one is the same size as a penny, 2 portions a fizzy drink lid and 3 portions a milk carton lid. Draw round the space they take up on the card. Cut it out and stick on the fridge for next time!</i></p> 

Rice measurer

Granny's old mug again!

*A mug is handy for measuring uncooked rice.  
4 adults = Full mug, 300ml  
2 adults = Half a mug, 150ml*
