

## Aims

The Friends is an autonomous group established to:

- Involve people in the life of the museum.
- Promote lifelong learning.
- Encourage interest in science, art and history across all ages.
- Support Buxton Museum & Art Gallery.

The Friends organise their own programme of talks and visits and each member contributes to the smooth running of meetings.

## Benefits of membership

- Free monthly talks by notable speakers relating to science, art and history, followed by free refreshments (non-members pay £4 per talk).
- Occasional visits to places of interest.
- Invitations to previews of the museum's temporary art exhibitions.
- Opportunities to work with the museum and its collections.
