#### **DERBYSHIRE COUNTY COUNCIL**

## **User Evidence Form for Claimed Public Right of Way**

### Please read the following notes before completing this form:

- The Council is required by Part III of the Wildlife & Countryside Act 1981 to keep a record of public rights of way in Derbyshire ("the Definitive Map").
- This form is designed for use by anyone who has personal knowledge about public use of (1) any route in Derbyshire for which a public right of way is not recorded, but is claimed to exist, or (2) any route for which a public right of way is claimed to be recorded incorrectly (e.g. in terms of the type of right of way shown, or the position).
- The Council processes personal information, including any which it receives under this form, in accordance with Data Protection legislation.
- In some cases the Council is required by law to allow other persons to have access to completed forms and other documents relating to a Definitive Map claim. Therefore, if you provide personal information (e.g. name, address, telephone number and date of birth), either using this form, or in any other document relating to a Definitive Map claim, it could become accessible to the public.
- A 'fair processing notice' relating to information about the history and use of public rights of
  way is available from the Director of Legal Services on request (contact address and
  telephone number below). It explains in more detail why and how relevant information and
  documents are handled by the Council, including when information and documents may be
  given to others.
- Each individual who is willing and able to give evidence should complete his or her own form.
- Please complete all of this form. If you know about more than one route, please use a separate form for each.
- The Council when considering a Definitive Map claim will take into account all relevant evidence available, including completed user evidence forms. If the Council makes an order to modify the Definitive Map, and the order is subject to objections, the evidence will also examined by an Inspector on behalf of the Secretary of State. Therefore it is important that you complete the form as accurately and fully as you can. If you cannot remember any details please write that you cannot remember.
- If you have been provided with this form by someone who is preparing a Definitive Map claim, please return any completed form to them. Generally it is very helpful to all concerned if completed forms are returned to the person organising the claim instead of directly to the Council. The forms can then be submitted to the Director of Legal Services together with the application.
