

Middleton Top Countryside Centre

On the High Peak Trail,
Wirksworth

Middleton Top Countryside Centre is full of local information with some great leaflets for local walks.

We sell hot and cold drinks, ice creams and snacks.

We also sell books, maps, gifts and outdoor gear.

Take a look around the Engine House with its working beam engine (for a small fee). See the separate poster for days when it is in steam if you want to see it in all its glory. Brilliant!

If you want to explore further afield then why not hire a bike? Visit the cycle hire centre for more information or call **01629 533294**.

Managed by Derbyshire County Council, Middleton Top Countryside Centre **01629 533298**.
