I am a Learning Disability Rep with Derbyshire County Council

I would like to tell you four things from the Reps on Board meeting we had in October 2026

1. Mel Johnson from Compass Changing Lives came to tell us what they do and to ask the reps if they could help co-produce an easy read leaflet

2. Mel Johnson came to see how the reps work, she loved the red and green cards that we use in meetings

3. We are going to be having a page about reps on board on the Derbyshire County Council website

4. We are going to be learning some new Makaton signs
