I am a Learning Disability Rep with Derbyshire County Council

I would like to tell you four things from the Reps on Board meeting we had in September 2026

1. We approved a new Easy Read leaflet about Direct Payments

2. We approved the changes we have made to the Easy Read Guide to Adult Care Assessments document

3. There is still money in the Amenity Funds for groups of adults with learning disabilities to apply for

4. We will start having fidgets available at future meetings

Contact the team if you want to know more:
