The Centre staff are happy for anybody to drop in to use the facilities but it would be useful if people could telephone in advance to advise them of their visit. The facilities do not fully meet the Changing Places specification - they are located as part of the Day Centre. Visitors should go to reception which is located through secure entrance doors – there is a bell for assistance. There is level access to the facilities from the main entrance, but the route is fairly long so staff would need to accompany any visitor. There is limited car parking on site. The facility is close to Buxton and Glossop.

The facilities (and Centre) are open as follows;

Monday to Friday	8.45am – 4pm
Saturday and Sunday	Closed

Equipment and layout
