Rosliston Forestry Centre lies at the heart of The National Forest and offers outdoor activities, holiday accommodation (including fully accessible accommodation) and all-year round events. There are wheelchairs, electric scooters and an all-terrain Trampler available to use. There is also an accessible play area (Radar key required).

The toilet is for use by anyone who requires it. It does not meet the full Changing Places specification but does provide adult changing and hoist (see below). There is a car park close by that is free of charge to people displaying a Blue Badge. The toilet is located close to the shop just inside the main entrance. The toilet is open when the main building is open, generally 9am – 5pm, daily. If in doubt, please ring to check first.
