

## Who can use our Service?

Anyone, 18 years and older, who

**Has been identified as needing our service**

or

**Pays for the service themselves directly**

People may access our services even though they may have their own support worker

## Our Values

Everyone should be treated with courtesy, dignity and respect.

We encourage and promote the opportunity for people to develop the skills and knowledge to enable them to meet their aspirations.

We constantly strive to enhance, improve and develop our services and facilities.

# NEWHALL CENTRE

We are a Derbyshire County Council "One-Stop" place which offers day opportunities to meet the needs of adults with learning disabilities.

Our aim is to provide activities that promote independence, stimulate the senses and offer the opportunity for some people to develop skills and knowledge to help them gain employment.

We offer this in an efficient, caring, friendly and inclusive service to people in the South Derbyshire area.

## Community Connectors

This scheme gives people 12 weeks of intensive support to enable them to connect with their local community and access its services.

## Community Planning Groups

We are involved with the Partnership Board, Good Health Groups and the Learning Disability Forum.

These aim to identify and tackle issues that people with learning disabilities face on a daily basis.
