# TEC WEEK

22<sup>nd</sup> TO 26<sup>th</sup> SEPTEMBER

A fantastic range of opportunities to learn about how Technology Enabled Care can support people to live more independent lives

## TIMETABLE OF WEBINARS ACROSS THE WEEK :

Date	Venue	Details
Tuesday 23 <sup>rd</sup> 3pm – 4pm	<b>SMART HOME TECHNOLOGY</b>	Hear Amazon's training team sharing how smart home technology, such as smart speakers, environment controls and automation, can be used to support people to live more independently at home for longer.
Wednesday 24 <sup>th</sup> 10am – 11am	<b>PROACTIVE AND PREVENTATIVE TEC OPPORTUNITIES</b>	The Head of Medequip Connect, our TEC provider, will be sharing what this approach can offer, how integration is key, and what the future could hold.
Wednesday 24 <sup>th</sup> 1pm – 2pm	<b>OPPORTUNITIES TO USE TEC TO SUPPORT A DIVERSE RANGE OF NEEDS</b>	Join the TSA, the expert voice in the TEC industry, to hear about the new and innovative ways that Technology Enabled Care can be used to its full potential by people who are autistic, have a learning disability or mental health condition, or by those that support them.
Thursday 25 <sup>th</sup> 3pm – 4pm	<b>HOW TECHNOLOGY ENABLED CARE CAN SUPPORT UNPAID CARERS</b>	An introduction to the TEC service, what is available, and how it can offer reassurance to informal carers. DCA will also be sharing information about a new help and advice platform/app designed specifically to support carers.

We are also holding several in-person events across the week, including a huge marketplace event in Matlock, and roadshows in Buxton, Swadlincote & Chesterfield.

Find out more about how to book at [www.derbyshire.gov.uk/TEC-Week](http://www.derbyshire.gov.uk/TEC-Week)
