Needs we can meet:	Cognitive disabilities, Physical disabilities, Behavioural needs			
District/location(s) service can be provided in:	Bolsover, North East Derbyshire & Chesterfield			
Summary of the service we can provide:				
<p>Supporting children & young people to engage in community activities, of their choice, at our sensory centre or in other venues. We provide respite/befriending in the home or community to meet individual care plans, promote independence and empowerment such as; personal care, cooking and learning new skills, outings to the cinema, sports centre, friend's house, shopping, we encourage CYP to be involved and take control with choices for example purchasing goods or the activity they would like to attend. We have identified that Befriending is an important part of respite and may include interacting with and supporting a child in their family home whilst parents are at work, studying or socialising.</p>

Needs we can meet:	Children with Complex health needs. Autism and challenging behaviour All Children with a Learning disability.			
District/location(s) service can be provided in:	County of Derbyshire (excluding Derby City)			
Summary of the service we can provide:				
<p>We have a 7 bed residential respite services and a 5 bed bungalow planned for January 2017. We have a track record within the local community and the local authority in being able to respond quickly to referrals and establish support packages within 6 to 8 weeks of referral. Experienced qualified dedicated managers handle referrals from receiving them to overseeing the implementation of the service delivery supported by a framework of deputy managers and team leaders. We do not use volunteers within any of our services.</p> <p>Ability provide a robust training schedule including all mandatory courses such as safeguarding, accredited RPS medication administration and epilepsy with all staff trained to a minimum NVQ level 3 in health and social care and trained in advanced BILD accredited positive behavioural support and autism with sensory training level 2. Staff also attend specialist courses to meet the needs of the young people attending such as PEG training and postural support.</p>

Age of children/young people we can work with:	5-25			
Needs we can meet:	Children and young people with mild to moderate learning and physical disabilities who do not require a 1:1 worker.			
District/location(s) service can be provided in:	South Derbyshire & South Dales			
Summary of the service we can provide:				
<p>Umbrella's well trained staff run specialist play schemes, day trips and Saturday clubs with a ratio of 1 adult to 2 children. This helps develop self confidence and independence. We contact families within 2 days of referral, arranging home visits and liaising with statutory services to develop individual risk assessments and person centred plans to tailor services to meet individual needs. Families are given feedback by the young person's key worker at the end of every session and their progress is regularly monitored to ensure progress towards achieving their outcomes. We also encourage feedback to improve services.</p>

Summary of the service we can provide:				
<p>We support people with autism and learning disabilities to achieve their chosen life outcomes. Our primary outcome is to get a paid job by exploring employability skills in real work opportunities with local employers. Promoting long-term employment by remaining on call and on going support. Employment can be with an employer or self employed. Other aspects of EHC Plan outcomes we support are; access to community activity, independent living skills at home and community education. Following our “zero rejection” philosophy, we believe that everyone can do tasks, with the right interpretation and support. We can support those with other disabilities.</p>

Needs we can meet:	Individual 1-1, group or family sessions to address: Physical disabilities, Learning difficulties/disabilities Recovery from abuse , speech and language delay/disorder, ADHD, Autistic Spectrum Disorders Eating disorders, Depression, Cerebral Palsy, Down's Syndrome, Acquired Brain Injury ABI, Traumatic Brain Injury TBI, Emotional behavioural difficulties, Attachment difficulties, Self-esteem and self-image, Bullying, Self-Harm, Loss & Bereavement, Post Adoption			
District/location(s) service can be provided in:	South Derbyshire & South Dales			
Summary of the service we can provide:				
Charnwood Arts Therapy Services Ltd provide Arts therapies comprising Art Therapy, Music Therapy or Drama Therapy . These are creative psychotherapies where individuals are helped to express and make sense of their thoughts and feelings in safe and confidential therapy sessions. Arts therapies aim to enable the individual to explore, cope, recover or move forward from emotional difficulties, trauma, difficult behaviours and mental health issues. With Art therapies individuals work with a therapist to create a piece of expressive work. The sessions are focussed on the needs of each individual. Arts therapies are especially useful where individuals find it difficult to communicate or express thoughts, feelings and experiences in words. Prior skills in art, drama and music are not required to benefit from Arts Therapies.

Contact e-mail address:	ann.rowlands@umbrella.uk.net Jenny.lucas@umbrella.uk.net			
Age of children/young people we can work with:	0-25			
Needs we can meet:	To work with disabled young people and their parents who are in receipt of a personal budget/direct payment.			
District/location(s) service can be provided in:	Amber Valley & Erewash Bolsover, North East Derbyshire & Chesterfield - High Peak & North Dales South Derbyshire & South Dales			
Summary of the service we can provide:				
Umbrella work directly with disabled young people, who have a personal budget/direct payment, and their family, to design a support plan. We also provide creative, impartial and effective brokerage. We assign a experienced key worker to work directly with the family and undertake home visits. The key worker helps the young person and parents/carers make informed choices about their support needs to meet identified outcomes within budget, taking account of any risk assessments. Umbrella work collaboratively with health professionals, local statutory and voluntary sector agencies. We also help negotiate and signpost families to other information and support.

Age of children/young people we can work with:	0-25			
Needs we can meet:	Cognitive disabilities, Physical disabilities, Behavioural needs			
District/location(s) service can be provided in:	Amber Valley & Erewash Bolsover, North East Derbyshire & Chesterfield			
Summary of the service we can provide:				
<p>Our team has vast knowledge, skills and experience of support planning and brokerage to meet the needs of the family holistically. We have set up programmes to encourage effective engagement in education and the community, through strategies used as tools for success. Liaising with professionals, parents and child/young person (CYP) is vital for; smooth transitions, advocacy and collaborative working. We support CYP and their families to make informed choices about a support package, which suits their needs. Using a needs-led assessment to create a personalisation plan, that is; practical and encompasses wishes and feelings of CYP so they engage effectively.</p>
