

# HOW DO I RECOGNISE & SUPPORT A RESIDENT WITH A LEARNING DISABILITY WHO MAY BE APPROACHING THE END OF THEIR LIFE?

This single session will help staff supporting people with learning disabilities to recognise deterioration and increase awareness of ways to improve palliative and end of life care.

It is designed for general nurses/support workers who may be working with people with Learning Disabilities. It will cover the following areas:

- Advance Care Planning
- Recognising deterioration
- Symptom Management
- Reasonable adjustments in palliative/end of life care
- Practical advice

**October 7, 2020**
